

## Over The Top' Victory Again For Quad-Cities United Fund Campaign

**\$289,843 Goal Exceeded By \$4382, Marking  
Second Consecutive Year In 4-Year History;  
Announcement Made At 11 A.M. Today**

A total of \$289,843 has been raised in this fall's Tri-Cities United Fund drive, a figure \$4382 or 1 1/2% above and beyond the goal of \$285,461. This is the second consecutive year the drive has gone over the top.

This achievement was rounded out at 11 a.m. today during a report session of division and team captains of the UF headquarters at 11306 Nineteenth st., writing a "Victory final" to the fund-raising campaign that got under way on Oct. 13.

In consequence, following the practice of television election returns computers, the volunteers placed an out-sized "V" symbol opposite the grand total of the drive.

**Success Banner Up**  
Up, too, went the success banner over the Quad-Cities' outdoor "thermometers" registering the degree of community giving. They proclaim:

"Over the Top! Thanks to all workers and donors. We've Glorified our Community!"

Campaign General Chairman, John L. Hamilton Jr., Auditor Melvin McKay and John D. Seiberger, UF executive director, were on hand with pad and pencil this forenoon to tabulate final returns as they were given by leaders of the in-the-field volunteer forces.

And, to the accompaniment of cheers and vigorous clapping of hands, they made it \$289,843, which is 1 1/2% in excess of the sum originally sought for the 18 benefiting health, service and character building agencies, and the Red Cross, Chairman Hamilton relied on his slide rule for the percentage.

Each and every subscriber and contributor (it was pointed out, received a Red Cross membership card for 1961.

May 1961 \$290,000. It is altogether possible, Seiberger said, that pledges and subscriptions yet outstanding or unreported will spiral the grant total into the \$300,000 realm.

But, the drive is officially over and at an end. As it was a year ago, the campaign was an over-the-topper.

All contributions, subscriptions and pledges will be carefully audited and re-checked at UF headquarters, and a detailed statement as to the money raised by divisions, groups and organizations will be made public.

As of this morning the tally by divisions shows:

Industry, \$121,975; employees, including "30-Minute" and "Fair Share Club" giving, \$109,150.

## Police Say 'Go-Cart' Was Speeding 55 MPH

An off-duty Granite City police officer staged an arrest in the neighborhood Monday afternoon that proved to be unusual.

He charged 20-year-old Kenneth E. Adams, 3240 Ashley avenue, with speeding 55 miles an hour in a low-slung "go-cart" powered with a motor-type gas engine.

Police Capt. Joseph Kastelle said he was home when he heard a roaring noise and thought an airplane was landing in the street in front of his home, 3232 Carson avenue.

The vehicle went by a second time, and Capt. Kastelle got his car ready. On the third turn he chased the speeding vehicle, clocking it at 55 mph on his speedometer and after several blocks caught up with it.

The driver said he was testing it, the captain said.

## Railroad Laborer, Oscar Doyle, 58, Killed Here Today

Oscar Levert Doyle, 58, Terminal Railroad Association section laborer, was injured fatally this morning when struck by a New York Central four-unit diesel engine that was not pulling any cars.

Mr. Doyle, with others of a section maintenance crew, was working on the main line of the "Big Four" at the time. According to witnesses, The lines run parallel to State street and the fatality occurred near 10th street on a curving right-of-way near the Owens-Illinois Container Co. plant.

**Investigation Underway**  
Exactly how the section worker got into the pathway of the oncoming train was not definitely known, but an investigation is being made by rail officials and police.

Taken to St. Elizabeth Hospital, Mr. Doyle was pronounced dead on arrival about 9:30 a.m. A native of Alabama, Mr. Doyle lived at 816 Third street.

He had been an employee of the Terminal Railroad Association for 33 years, the duration of his residency in Venice.

He is survived by his widow, Alvina; two daughters, Mrs. William (Evelyn) Titcher, St. Louis, and Miss Wilma Doyle, Venice; a brother, Grady Doyle, Florence, Ala.; a sister, Mrs. Ida Engle, Lorens, Tenn.; and three grandchildren.

For funeral arrangements, see today's obituary column.

**Results In Few Days**  
The outcome of Tuesday's vote on two state bond issue proposals will not be known for several days, but passage of both is apparent, according to ballot counts available today.

State Welfare Issues are receiving 24-to-26 favorable votes, but passage must carry a majority over the vote cast for state representatives.

**Morris' Statement**  
Anticipating victory, Southern Illinois University President Dwight W. Morris said yesterday: "Now that the Universities Bond Issue apparently has been approved by Illinois voters, our next step is to request that the legislature make specific appropriations of state funds which will be acquired from the sale of bonds."

Both the Universities and State Bond Issues were approved by Quad-City area and Madison county voters. Of the \$195,000 Universities Bond Issue, \$25,000,000 is earmarked for development of SIU's new southwestern campus between the Quad-Cities, and of the \$100,000,000 State Welfare Issue, \$25,000,000 is to go to the Alton State Hospital for improvements and expansion.

**Harris Ceremony**  
At the Harris ceremony, Austin Lewis, board attorney, will preside, and there will be the presentation of colors, followed by an invocation by the Rev. J. N. Engelbert, pastor of St. Mary's church.

Prior to the talk by the head of the Illinois schools system.

**7 DAYS  
WITHOUT  
QUAD-CITY  
TRAFFIC DEATHS**

Granite City increased its number of wards to eight following a state law in 1957 when the population topped 30,000 and the law's interpretation at that time permitted cities of over 30,000 to elect 16 aldermen—two for each ward.

The law stated that two aldermen could be added for every 20,000 population over 30,000, but with the wording, permitted the eighth ward to be added when a city went over 30,000.

Beatty said yesterday he could find no revision in the wording of the 1959 statute from the working of the one used by the city here in 1957.

During Monday night's council session, he pointed out the possible loss of a ward, dropping the city to seven with even a greater population than in 1957, if the precincts were completely revised.

**BPWP Delegation Present**  
Recommendation for the revision of the city voting precincts was made to the council by Alderman Mrs. Gabrielle Bettine, who said the change was supported by the local Business & Professional Women's Club. She called attention of the council to a delegation of BPWP officers and members in the audience.

Her suggestion for a meeting of city, township and county officers and attorneys to revamp the city's precinct map was opposed by Alderman Rufus LeMaster, Samuel Whitmer, Steve Basarich and Samuel Shaeffer.

Mrs. Bettine stressed the need to revamp the city's precincts to avoid confusion over voting places. She pointed out that many residents travel to two, three and as many as four polling places because of the district.

## Dedication For New Madison Schools

**Like Programs Sunday  
At Blair and Harris;  
Open-House Tours**

Madison's two new elementary schools—Blair and Harris—will be dedicated Sunday afternoon and parents, friends of education and the community as a whole are invited to attend the separate but similar programs.

In addition to the ceremonies of dedication, at which George T. Wilkins, state superintendent of public instruction will speak, there will be open-house inspection tours of the \$935,500 educational facilities and refreshments will be served.

The Harris school program will get under way at 1:30; the dedication exercises at Blair at 3:30 p.m.

Pictorial souvenir programs of the dedication have been printed for distribution to guests by the Madison board of education, of which John N. Belkoff is president.

Wm. L. Brown is Madison schools superintendent. As a musical prelude to the separate exercises, there will be half-hour concerts by the Madison senior high school band, under direction of William Ledbetter.

**Meeting Being Arranged**  
The city attorney hopes to have a proper interpretation in one hour of the state law in the process of being arranged by Mayor Davis at the council's instruction.

Granite City increased its number of wards to eight following a state law in 1957 when the population topped 30,000 and the law's interpretation at that time permitted cities of over 30,000 to elect 16 aldermen—two for each ward.

The law stated that two aldermen could be added for every 20,000 population over 30,000, but with the wording, permitted the eighth ward to be added when a city went over 30,000.

## 4th Grader Saves Ballot For Mother

A nine-year-old fourth grader saved her mother's ballot in Tuesday's election. She had gone into the voting booth with her mother and noticed she was marking the ballots with checks.

"Don't do that, you've got to use x's," the girl remarked, and the mother suddenly realized her error, which would have led to a spoiled ballot.

The little Granite City girl explained she had taken part in a mock election in her classroom earlier in the day and the teacher had told the pupils the proper way to mark a ballot.

## City Might Lose Ward Through Redistricting

Faced with the possibility of losing one ward if the city is redivided, Granite City council members reluctantly agreed to authorize a meeting of city, township and county officials to determine if the city's 21 voting precincts can be adjusted to conform with the county's 28 precincts.

In the meantime, City Atty. William Beatty is seeking a legal interpretation of the revised state statute which governs the number of wards in a municipality based on population.

Beatty said a quick reading of the revised law shows nothing to determine if the city's 21 voting precincts can be adjusted to conform with the county's 28 precincts.

Democratic Governor-Elect Otto Kerner polled 56,023 votes in the county to win over incumbent William G. Stratton, who was seeking a third term.

The closest state race in the county was between Democrat James R. McLaughlin (50,835) and incumbent Republican Sen. Charles F. Carpenter (48,686).

In the lieutenant governor race, Democrat Samuel H. Shapiro polled 54,350 votes to 38,100 for Republican John William Chapman.

Easy victories in the county were won by Democrats Michael J. Howlett and William G. Clark. Howlett received 55,139 votes for the office of auditor of public accounts as compared to 37,322 votes for his Republican opponent, Elbert S. Smith.

While Clark in his bid for attorney general topped Republican Charles S. Smith (38,337) by 11,471.

## County Okays Welfare, Universities' Proposals; Defeats Health Dept.

Black, blustery, rainy weather failed to deter Madison county voters who went to the polls in a record-breaking number to cast ballots for Tuesday's presidential election.

The county went Democratic all-the-way, giving majorities ranging from 7149 in the secretary of state race to 41,288 in the congressional representative contest.

The Universities Bond Issue went over by slightly more than a 2-to-1 margin, and the State Welfare Bond Issue carried nearly 2-to-1. However, the County Health Department proposal was defeated by 3244 to 41,571, "no"; 38,327 "yes."

On the national end of the ballot, President-Elect John F. Kennedy outdrew Richard M. Nixon by 11,529 votes, according to the unofficial, but complete, tabulation of the county's 159 precincts. The total votes were 54,447 for Kennedy and 42,018 for Nixon.

Popular U. S. Senator Paul H. Douglas ran ahead of Kennedy to be returned to the Senate by defeating Republican Samuel W. Wither by 31,291, against 62,133 votes to Wither's 31,524.

**Price, Top Vote-Getter**  
However, top vote getter in Madison county was Congressman Melvin Price, whose vote of 68,292 topped Republican Phyllis S. Stewart Schaffly's 26,964 by 41,328.

## 27,375 Ballots Keep Judges Up Late; Local Voters Back Winners

With intense interest in the presidential campaign, state and county contests and the state bond issue proposals, Quad-City voters stayed up late on Tuesday, keeping poll judges up late to count a record 27,375 votes.

The bulging ballot boxes presided over by additional Democratic majorities, and residents here backed all eventual winners with one exception.

Secretary of State Charles F. Carpenter (R), leading vote-getter in this area again was Long, Melvin Price, with 27,375.

While more voted than ever before, the public's attention was centered primarily on the local precincts but on the national and Illinois trends. It was noted that President-Elect John F. Kennedy's slim victory margin in this state was about half of his lead in Madison county, where 8713 was off-record in the Quad-Cities.

The 27,375 ballots included 16,671 in Granite City, 5353 in Venice township, 3682 in Nameoki township and 1147 in Chouteau Precinct One at Mitchell.

Four years ago, the record mark of 24,835 was set, the breakdown was 15,113, 5776, 3020 and 526. Since then, nine precincts have been added for a total of 46.

Some of the earliest returns for Venice Precinct 12, were reported before 9 p.m. but only 85 had been tallied by 11 p.m. as the slow pace continued.

**Last Precinct At 4:30 P.M.**  
The halfway mark was passed shortly after 1 a.m., but many polling places remained lighted throughout the night and two precincts had not reported by breakfast time on Wednesday. Granite City Six was added to the election chart during the night.

Counting at 4:30 p.m. yesterday, returns were posted on charts at the precincts, finished at 10 p.m. to tabulate, finished at 10 p.m. to tabulate, finished at 10 p.m. to tabulate.

Results also were charted publicly at the county clerk's office.

## Political Posters Hastily Removed

A voter, who kept his politics secret, notified the Press-Record about 9 a.m. Tuesday that he had difficulty determining the new polling place in Granite City Precinct One.

Upon his arrival at the new location in the Levee Board garage at 1707 Madison avenue, changed from 18th street and Madison avenue, he thought he might have mistakenly gone to the Democratic headquarters, which was across the street.

"Both places," he said, "were covered with Democratic posters and placards. I couldn't tell which was which." A short time later, the political signs were removed from the polling place.

## 144,000-55,000 Win Gives Cong. Price 9th Term

Cong. Melvin Price (D), a resident of East St. Louis, won re-election with ease Tuesday, polling 134,107 votes to 24,240 for Mrs. Phyllis Stewart Schaffly (R).

An Alton housewife who won the April primary on the basis of scattered written votes, Mrs. Schaffly did not campaign actively.

In gaining a margin of over two and a half to one in the two-county Congressional district, Price captured his ninth two-year term, having served in the U. S. House of Representatives continuously since 1944.

Price scored almost equal victories, 13,855-28,279 in St. Clair county and 68,252-26,964 in Madison county, based on unofficial but complete returns. His 88,864 margin consisted of 47,576 in St. Clair and 41,288 in Madison county.

## City Might Lose

(Continued from Page 1)

Ferocious in city elections are not required to be registered, and county voters do not have cards, which list precinct numbers. In many cases, the number the same number as city precincts.

Opinions Vary  
Council opinion varied on Mrs. Bettine's proposal.

Some favored the change regardless if aldermen would be unseated through precinct and ward line changes. Others pointed to the changes made in 1957 when no aldermen were thrown out of their wards and said the change would be more difficult now since the city has grown.

A suggestion was made for formation of a city council commission of impartial individuals who would restrict the city on a basis of equal population for each precinct with the hope the county board of supervisors would then adjust the county precinct lines to conform.

In her motion, Mrs. Bettine also called for the presence at the revision meeting of the city chairman for the political parties because of the precinct changes. She said map overlays could be made in an effort to match the existing precincts as closely as possible to avoid elimination of precinct committeemen.

"Why worry," Alderman Basarich commented. "In another two years there'll be a city manager vote and we won't have to worry about wards."

Beatty explained it would be impossible to make the city vote precinct changes in time for next April's mayor election, but could possibly be accomplished by next June. The county board can make changes in precinct only during June or July meetings.

## 3 Vote Together, Ages Total 240 Years

Three persons, whose ages totaled 240 years, went together to vote at Granite City Precinct 17 in Tuesday's election.

They were taken to the polls by a volunteer worker who remained anonymous, but thought Quad-Cities was interested to know of the elderly trio's election day activity on the cold, windy, rainy day.

The voters, who went to the polling place in the Francis building, 3000 Benton street, were Mr. and Mrs. Virgil Price, 84, and 73 years of age, and Mrs. Price's brother, Calvin Scherron, also 83, all residing at 1205 St. Paul street in the Heintzville area.

Cong. Price led here 21,554-11,221 and the three incumbent state representatives won with the aid of 29,583 local votes for Paul Simon (D), 28,053 for Lloyd "Curly" Harris (D), 12,204 for Ralph T. Smith (R), Robert E. Wharton (R) defeated for representative, total 85,134 here.

With four incumbent Madison county Democratic officials gaining re-election, Willard V. Portell (D) of Granite City was elected clerk of the circuit court with the help of 18,629 ballots in the Quad-Cities, where Robert T. Byrne (R) of Granite City polled 7787.

State Attorney Dick H. Mudge Jr. won locally, 18,325-7781; County Auditor John L. Kravnak, 18,278-6764; Recorder of Deeds James F. Chapman, 19,529-6586; and Dr. W. W. Billings, 19,529-6764. Four years ago, Mudge polled 14,636, Kravnak 16,323, Chapman 16,456 and Dr. Billings 16,876.

Levee Candidates  
Quad-City totals for successful Democratic levee board candidates were 16,447 for George Duff, 15,973 for Dan E. Costello, 16,511 for Thomas F. Hennessy, 16,259 for John E. Molla and 16,062 for Lawrence T. Tolar. Among the losing GOP candidates, Walter J. Emde of Granite City led here with 9412 votes, William F. Nichols of Bend road polled 8876, Lendell Phelps had 8420, Elmo Bush 8416 and Robert O. Baldridge 8300.

The 1147 ballots cast at Mitchell represented the most at any local precinct Tuesday, and Nameoki Three on Courtney Blvd. won close behind with 1103.

Largest turnout in Granite City was Precinct 22 at the Nameoki road fire station, with 1651 votes. The precinct was Precinct Nine, 1213 Madison avenue, with 749.

In the General Assembly race for the three posts as state representatives from the 53rd District, Democrats Paul Simon (58,561) and Granite Cityan Lloyd "Curly" Harris (49,012) were re-elected as was Republican Ralph T. Smith (59,260) of Alton, a former Granite Cityan.

Smith, the only Republican to be named to office in the county, won the seat over Robert E. Wharton, who failed, 42,212 votes.

For county offices, the unofficial counts gave large majorities to all Democrats, with Republican Edward D. Grohlong, of East Alton, also a former Quad-Cityan, giving the closest race to State Atty. Dick H. Mudge Jr., who was re-elected by 17,570 votes. Mudge's total was 26,477 as compared to 35,137 for Grohlong.

Granite Cityans Willard V. Portell and John L. Kravnak were elected as were James F. Chapman of Collinsville and Dr. W. W. Billings of Alton.

Portell, who replaced the late Simon Kellermann Jr. on the Democratic ticket for clerk of the circuit court, won over Robert Byrne, GOP candidate, also from Granite City. Portell's total was 55,915 to 36,307 for Byrne.

Kravnak in his bid for re-election tallied 57,332 votes to 35,866 for Lester J. Ogilve.

Chapman, who was re-elected recorder of deeds, was top vote getter among the county office seekers. He tallied 59,250 to 33,332 for his opponent, Clarence M. Armstrong.

Dr. Billings rated second in the State Veterinarian election, winning re-election as county coroner, receiving 58,131 votes to defeat C. Travis Strepper, with 35,017.

Establishment of Southern Illinois University's southwest campus in Madison county between the Quad-Cities and Edwardsville, aroused considerable county wide interest in the \$195,000 Universities Bond issue, of which \$25,000,000 is earmarked for the local development.

A total of 82,637 ballots were counted with 59,698 recorded as "yes" and 26,989 "no."

The county success of the State Veterinarian issue of \$150,000,000, with \$8,200,000 to go for expansion and improvement, was 59,698 to 26,989.

## Mrs. Joseph Reinagel Succumbs At Age 80

Mrs. Mamie A. Reinagel, 80, of 3144 Aubrey avenue, died early Wednesday at the Mrs. DeVilla Nursing Home, Clayton Mo. In impaired health for a year, she had been at the nursing home for three months.

Mrs. Reinagel was a native of St. Louis. Her husband, Joseph, died in 1954. She had been a Granite Cityan for 65 years.

Surviving are three sons, Edwin of Granite City, George J. of Houston, Tex., and Arthur, San Antonio, Tex.; two daughters,

Mrs. William Champion, Meas Ariz., and Mrs. Milton Beall Columbus, O.; two sisters, Mrs. Leo Wise, Granite City and Mrs. Elizabeth Reeder, Chicago; 10 grandchildren and 13 great-grandchildren.

Mrs. Reinagel had been born at St. Louis, although most of her adult life was spent in the Quad-Cities.

Her husband was a 47-year steelworker before he and his wife opened and operated a confectionery in East Granite.

The family is well-known and prominent in the community.

## Democrats Take All Levee Board Posts By Big Margin

A Democratic Levee Board was elected Tuesday by a 2-to-1 margin, according to complete, but unofficial, tallies of precincts in Madison and St. Clair counties.

The Democratic slate with four incumbents won with ease in the levee district areas in both counties with the incumbent board president, Dan E. Costello of East St. Louis leading the ticket.

The election left Madison county without a representative on the five-man board of trustees.

Two Quad-City area candidates were running on the Republican ticket—William F. Nichols of Bend road and Walter J. Emde of Granite City—but they failed to muster support in the area and were overwhelmed in St. Clair county as were their GOP runnmates from that county.

Emde and Nichols did run ahead of the other Republican candidates in Madison county. Nichols ran second on the GOP ticket in St. Clair county and Emde ran fourth.

Votes for the Democratic candidates, listing the two-county total, St. Clair county and Madison county figures in that order, follow:

George Duff—48,756, 32,309 and 16,447; Dan E. Costello—51,243, 35,370 and 15,973; Thomas F. Hennessy—50,756, 34,215 and 16,541; John E. Molla—48,788, 32,529 and 16,259; and Lawrence T. Tolar—48,682, 32,590 and 16,062.

A similar breakdown for the Republican candidates follows:

Elmo Bush—22,832, 14,145 and 8416; William F. Nichols—22,528, 13,632 and 8876; Robert O. Baldridge—21,309, 13,009 and 8300; Lendell Phelps—21,839, 13,419 and 8420; Walter J. Emde—22,641, 13,229 and 8412.

Hennessy is the only Democratic trustee for the East Side Levee and Sanitary District not an incumbent. He ran in the April primary on an opposing Democratic slate and defeated Ernest "Pistol" Eli of Granite City who was selected to run with the incumbents for the post left vacant by the death of Kenneth T. Ogilve.

The levee district in Madison county consists of 46 precincts, all in the Quad-Cities area of Granite City, Venice and Nameoki townships and Precinct One of Chouteau township.

## Water Co. Strike Off; Workers To Mull Terms Tonight

Tentative settlement was reached Monday afternoon in the labor-management dispute between the East St. Louis & Interurban Water Co. and its striking office employees.

Office workers at the Granite City office and those at Belleville and East St. Louis returned to work Tuesday. They had been out on strike a week—since Tuesday, Nov. 1—and had set up picket lines fronting the office at 1855 Delmar avenue.

They are members of Local 130 of the Office Employees International Union. Only three office personnel were involved in the Granite City walk-out.

Ratification Pending  
Terms of the agreement reached were not disclosed, pending submission and ratification at a meeting of the local scheduled for tonight in East St. Louis.

Commissioner John Keltner of the Federal Mediation and Conciliation Service explained today that a tentative settlement had been agreed upon, and the striking office employees were back on the job.

Commissioner Keltner estimated that about 30 members of the local were out on strike, but the walk-out affected an additional 200 other employees who respected the picket lines.

However, there was no interruption in water service in the Quad-Cities.

The federal mediator asserted that under agreement by both sides, there would be no disclosure of the terms of the tentative agreement reached until the membership had opportunity to act on it.

8% Increase Sought  
The union struck to enforce its demands for 8% salary increases. The company, it is understood, originally offered a wage hike of 10 cents an hour.

Through the strike, both sides were in apparent agreement that the public should not be made to suffer and that normal water services would be afforded the 21 Madison and St. Clair county communities the utility serves.

Earlier this week, Commissioner Keltner told The Press-Record the "issue of vacations had been taken care of."

## Granite City PRESS-RECORD Page 4 Thurs., Nov. 10, 1960 Seven New Homes To Be Erected In Dream Villa

Seven new homes, all in Dream Villa subdivision, accounted for most of the permits issued in early November by Granite City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

The permits so far this month number 11 for a total value of \$124,300, with the seven homes valued at \$19,100.

All are to be six room and a bath, brick veneer. Three with garages are valued at \$18,900 and are to be located at 3255 Franklin avenue and on Devon Hill. The other four, valued at \$15,900, without garages, are to be located at 3238-42-58-66 Franklin avenue. The seven permits were obtained by Henry Ross, contractor.

One commercial permit was issued and went to Hudson Jewelry, 19th and State streets for a 171 square foot advertising building, valued at \$20,000.

Cleveland Smith, 2141 Monroe street, obtained a permit for a \$1000 one-room addition at 2141 Monroe street; and Owen Rebold was given permission to rebuild a garage at 2412 Bryan avenue at a cost of \$1000.

The other permit went to W. W. Wopke for construction of a storage building at 3715 Myrtle avenue at cost \$200.

**UF Coffers Get \$100  
Stauffer 'Surprise'**

The Press-Record was the direct agency in securing a "surprise" \$100 contribution to the Tri-Cities United Fund.

Donor T. L. Stauffer, Bethlehem, Pa., former longtime personal secretary to the late John N. Marshall, president and chairman of the board of the Granite City Steel Co.

Mr. Stauffer, in forwarding his gift to Campaign General Chairman James L. Hamilton Jr., added an explanatory note:

"This morning (Nov. 7) I received Thursday's Press-Record of Nov. 3 and note the UF campaign needs \$2500 to reach its goal.

Herewith is 25% or \$100. Still have a warm spot in my heart for Granite City.

Even if you don't quite reach 100% you and your workers deserve a lot of credit and thanks for the manual labor performed in the task. The Press-Record gave the fund nice publicity, and you got "muzzed" quite often.

"You put a lot of time and effort in the campaign. I'm proud to have known you."

Mr. Stauffer left here about a year ago to make his home in the Pennsylvania steel town.

## Quad-City Leaders To Join In Hospital Annex Dedication

Quad-City leaders of industry, labor, medicine, the arts, merchandising, organizations and the professions and a trio of mayors will participate in the dedication rites Sunday, Nov. 27, ceremonializing the opening of the \$3,000,000 Dr. R. W. Binney wing of St. Elizabeth Hospital.

The program will get underway at 3 p. m. In conjunction with the dedication of the new facilities, there will be an open-house inspection to which all Quad-Cityans are invited by Sister Stanisla, hospital administrator.

The institution is operated by the Sisters of Divine Providence. Sister Stanisla said that subsequent to a private religious dedication of the wing will be a ribbon-cutting ceremony, symbolizing the formal opening of the new wing.

Lytle Guiley, of the East Side Manufacturers Association; Maurice Rich, president of the state department of public health; the architects, Henry Gabriel and Sylvester A. Duloroff; Edwin F. Reiske, president of the Tri-City AFL-CIO Trades and Labor Council.

Her husband, who died in July 1955 while serving as Venice mayor, was a widely known musician and had served as Venice police magistrate for about 30 years.

In her own right, Mrs. Reidelberger was active in veterans affairs and in community and political activities.

She was a native of Belleville, Ill., and had been a Tri-Cityer for 40 years.

**Library Board Treasurer**  
Mrs. Reidelberger was treasurer of the Venice public library board, was a member of the auxiliary of the Venice-Madison American Legion Post 307, of the Last Woman's Club and of the Venice Ladies' Democratic Organization.

Additionally, she belonged to the American Legion Auxiliary Past Presidents' Organization and the Egyptian Legion Past Presidents' Club.

Surviving are two sons, Frank Jr., and James J. Reidelberger, both of Venice; a daughter, Mrs. Walter (Margie) McIntosh, Venice; a brother, George Meyer, Granite City; three sisters, Mrs. Ben (Josephine) Hartmann, St. Louis, Mrs. Frank (Helen) Miller, Detroit and Mrs. Earl (Vivian) Edmundson, Venice, and seven grandchildren.

**Susan Annette Bilbrey Is Christened**  
Susan Annette Bilbrey, infant daughter of Mr. and Mrs. Claude Bilbrey, 428 Lincoln avenue, Venice, was christened this week at St. Mary's Catholic Church.

The sponsors were Mr. and Mrs. William McGarraghan.

Among the guests present at the christening and dinner given by Mr. and Mrs. Bilbrey were her parents, Mr. and Mrs. Albert LeBlond of Adams, Ind.

The son lives at 1713 Garfield avenue.

Mrs. Schnipper, a lifetime Belleville resident, died Sunday at the Memorial Hospital there. She was the widow of Ben Schnipper. He was a meatcutter.

Surviving in addition to her son, Eugene, are three other sons, Al and Norman Schnipper, Belleville, and Arthur Schnipper, in Puerto Rico. Four sisters, Mrs. Rose Hoerr, Mrs. Henry Emig, Mrs. Minnie Eckert and Mrs. Edmund Mueller, all of Belleville; seven grandchildren and 10 great-grandchildren.

Funeral services were held at a Belleville funeral home with burial at Walnut, Hill Cemetery. Officiating was the Rev. Fred Cornell of the First Presbyterian Church, Belleville.

## Widow of Venice Mayor, Mrs. Frank Reidelberger, Dies

Mrs. Pauline Anna Reidelberger, 67, widow of Frank Reidelberger, who served as mayor of Venice from 1923 to 1955, was pronounced dead Monday afternoon upon arrival at St. Elizabeth Hospital.

Death was attributed to a stroke. In apparent good health, Mrs. Reidelberger was stricken Monday at 3 p. m. while visiting at the Venice home of her son, James J. Reidelberger. He is Madison county juvenile officer. Her home was at 208 Broadway, Venice.

Her husband, who died in July 1955 while serving as Venice mayor, was a widely known musician and had served as Venice police magistrate for about 30 years.

In her own right, Mrs. Reidelberger was active in veterans affairs and in community and political activities.

## Also Admits 2 Attempts Burglar Nets \$700 At Six Homes In Madison, Venice

Six house burglaries in Madison and Venice netted him over \$700 between Aug. 18 and Monday, Henry Louis Odum, 28, of 1029 Market street, Venice, admitted in statements to Madison and Venice police Monday.

It was previously announced that he had confessed to three Venice break-ins after being captured in that city at 4:40 a. m. Monday, and later in the day he admitted the Madison burglaries. He also told of a burglary attempt in each of the cities, police reported.

Burglary and larceny charges were filed by Venice police and Odum was held in lieu of \$500 bond. Evidence obtained by Madison police was submitted to the state's attorney's office after the break-ins were re-enacted at each location.

Odum related entering the home of Mr. and Mrs. Tom York, 1725 Fifth street, Madison, through a kitchen window, Nov. 18, obtaining \$172 from a wallet found in trousers and \$80 from a purse in a handbag.

**"Borrow" Ladders**  
On Oct. 25, he said he entered through a screen door at the home of William Ashford, 1665 Second street, and took \$84 from a purse and wallet. Ten days later, he took a step ladder from a neighboring home and used it to enter the bathroom window of the residence of Zelbert Sipes, 1831 Fifth street, enabling him to get \$1 from a handbag.

The attempt occurred at 3:30 a. m. Monday at the home of Mrs. Henry Scott, 1653 Third street. He again used a neighbor's ladder to remove a screen and raise a window, but did not enter the house. No report of this incident had been received, but it was later verified, Madison officers said.

Going from Madison early that morning to the Bosworth home at 902 Third street, Venice, Odum tried to enter a bedroom window but police were contacted and he was captured by a resident wielding a shotgun.

The Venice break-ins, all on the night of Oct. 25, were at the homes of Patrolman Merl Hayden Jr., 812 Third street, \$120; Sam Fetter, 808 Fourth street, \$20; and James Reidelberger, 810 Third street, a man's wristwatch. A ladder taken from a nearby yard was used at the Hayden residence.

**Vocal Music Students  
Plan Spaghetti Dinner**

Granite City senior high school vocal music department students will stage their third annual spaghetti dinner on Thursday, Nov. 17, in the high school cafeteria to raise funds for the department.

A special feature of the project will be a carry-out service available to those who wish it through individual students assigned.

The spaghetti dinner will be served between the hours of 5:30 and 7:30 p. m., and consists of "all the spaghetti you can eat" plus a tossed salad, bread and butter, dessert and a drink. Two serving lines will be set up in the cafeteria, and the meal is to be served by cafeteria personnel.

Tickets are available now from any vocal music student or at Graham's Book Store, and are priced at \$3 each.

## Cars Collide In Rain A collision in the rain at 9 a. m. Tuesday damaged the left rear fender and tailgait of the eastbound auto of Frank Kimmack, 58, of 1220 Market street, Venice, who was making a left turn off Bissell street into Line alley, and the front of the eastbound car of James Eisenbeis, St. Louis.

The attempt occurred at 3:30 a. m. Monday at the home of Mrs. Henry Scott, 1653 Third street. He again used a neighbor's ladder to remove a screen and raise a window, but did not enter the house. No report of this incident had been received, but it was later verified, Madison officers said.

# PRESS-RECORD

Page 6 Thurs., Nov. 10, 1960 Granite City PRESS-RECORD

## Area Football Scoring Race Develops Into A Two-Player War: Penelton vs. Townsend

For the first time in nine weeks Edwardsville's Tony Penelton has been seriously challenged in his march toward the district's individual prep football scoring title.

The challenger is Lincoln (East St. Louis) Halbach Orville Townsend who put on a one-man show in Cairo last weekend, scored seven touchdowns and totaled 48 points as the Tigers romped home 57-0 over Sumner.

The "good" evening game Townsend 114 points for the season. Penelton, who scored 18 against Belleville Friday, still leads with a 128, but his margin was trimmed considerably by the boy who has run second in scoring most of the season.

Granted, some of Lincoln's competition has not been as stiff as that faced by Edwardsville this season, but Townsend has amassed his points in one area (seven) than the number in which Penelton has appeared.

The Edwardsville fullback has been more consistent, scoring in each of his eight games, and is expected to keep that record intact when Edwardsville closes the season tonight in Roxana. Lincoln, meanwhile, must face East St. Louis Assumption, which undoubtedly will provide a stiffer defense than did Sumner. Just ask the East St. Louis Flyers.

Penelton's 126 points, by the way, establishes a new school

Last Big Football Weekend

## Southwestern Conference Laurels To Winner Of Flyer-Kahok Contest

High school football in southwestern Illinois reigns as the chief sport interest provider for one more week, and its dying days will be heard for an additional seven days before fading completely, to be replaced by wintry weather and basketball.

Midwestern conference action ended two weeks ago, with Roxana and Dupu sharing the crown with 4-1 records, but one of the hottest battles in years for the Southwestern loop laurels will be climaxed tonight when Collinsville and East St. Louis meet at 8 o'clock at Parsons Field in East St. Louis, with the league championship hanging on the game's outcome.

The majority of other gridiron action in this area is also slated for this evening, due to the Veterans' Day holiday observance on Friday. Granite City, hoping to salvage at least one southwestern conference victory this year, will meet Belleville, while Wood River and Alton will complete the SWC pickup game in a dual at Alton. All four of these clubs are out of the running for a conference title.

The Flyer-Kahok tussle appears to be a toss-up as far as predicting a victory is concerned.

A tie or a loss would be fatal for Collinsville, while a Kahok victory would prove just as decisive a blow against East St. Louis.

Both clubs have won four conference games with a record of 9-5 this fall, but Collinsville also has a 6-6 tie with Belleville in the recent looks. The conference was reorganized from the short end of 12-0 and 18-7 during the first half of the game against an Oller squad which had won only once in four tries against conference opponents this season, and that a 6-0 squeaker over last place Granite City.

With the state properly set, a sellout crowd at Parsons Field is a foregone conclusion.

East St. Louis also will be the scene of what probably is the most anticipated prep football clash this weekend when Belleville Catholic, known from the

dwindling ranks of the unbeaten teams last week by surprising Marquette of Alton, mostly Lincoln of East St. Louis. Lincoln has rolled up an impressive 297 points in defeating its last three opponents and is the conqueror of Assumption, conqueror of the Flyers.

Marquette plays at Vianney of St. Louis county (formerly Coyne) and Dupu travels to St. Vincent's of Perryville in Sunday afternoon action.

No games are on tap Friday, but in non-conference action to night, Southwestern of Medora is at Bethalto, Nashville plays at Highland and Roxana and Edwardsville hook up in a contest which will arouse some interest, as it is district scoring champion Tony Penelton's final high school game as a player.

On Saturday, Cahokia plays in Affton, Mo., and Western Military Academy hosts Lutheran Central in Affton. Both are afternoon contests.

### Shoot Set For Sunday

A turkey shoot to raise funds for operation of the pistol range and to give Quad-Cityans an opportunity to visit the building and use its facilities will be held Sunday under sponsorship of the Granite City police department.

Funds derived from the shoot, which will start at 10 a.m. in the range building at Poplar and Oak streets in Lincoln Plaza, also will be used to buy equipment for a junior rifle team being formed by the police department's Social Club.

Shooting will use .22 caliber rifles, with targets and ammunition included in the 50-cent charge. The shoot will continue as long as there are shooters. Capt. Joseph Kastelle said.

Named as lineman of the week by Sullivan was a 180-pound defensive left tackle, Terry Titsworth, who saw every lineman's dream become a reality Friday when he scooped up a Quincy fumble and ran 40 yards for a touchdown.

A junior, Titsworth also led the Granite City line in number of tackles against the Blue Devils, breaking through three times to smear Quincy backs for losses of six, three and six yards.

# Warriors Play Host To Maroons In Football Finale Tonight

## Need Victory To Avert Last Place Finish In Southwestern Conference

The last occasion on which Granite City high school football fans had the opportunity to celebrate a Southwestern conference football victory was back when the Warriors subdued Belleville's Maroons 6-0 in the closing game of the 1959 campaign.

Granite City will bring down the curtain on the current season tonight when the Red and Black play those same Maroons at the GCHS field, and more than a few followers of the Warriors are hopeful that history will repeat itself.

It will take some doing. Belleville has lost three in a row, being beaten by Belleville Catholic, Alton and Edwardsville. Township looks like a fifth-place finisher in conference at this stage regardless of tonight's outcome, since the Maroons still must face East St. Louis in the traditional Thanksgiving morning homecoming game which writes "finals" to the football season in these parts.

**Underclassmen Start**  
With his underclassmen showing up especially well last week against Quincy, Granite City Coach Andy Sullivan has inserted eight of them in the 8 o'clock starting lineup tonight, but the Maroons have had a rough row to hoe in recent weeks too. Undeclared in its first five games (but tied twice), **PROBABLE STARTING LINEUPS**

chances are that every senior on the squad will have a chance before the game ends.

Bill Lierman, the third sophomore used this season's signal-calling spot, is tabbed as the starting quarterback. One other sophomore, Lefty Tackle Mike Vorhees, joins Lierman.

With the exception of Fullback Bob Berry and Ends Pat Schummen and Bob Hoffek, the remainder of Granite City's offensive eleven is made up of juniors.

**Two Chief Scorers**  
Tonight's visitors feature the running of Halfback Cliff Bullock and Fullback Babe Rousseau, who have accounted for 84 of the 106 points registered by Belleville backs this season.

Rousseau is the team's leading scorer with 48 points, and Bullock, the speedier of the two, has 36. Guard Jim Eckert has converted nine times this season on the try for extra point.

Frala also has employed a sophomore, Bob McKelvey, as quarterback in the latter part of the season, but McKelvey's substitute, John Adams, is the squad's best passer. He connected with Bullock for a touchdown against Edwardsville last week.

The Maroon line is bolstered by 222-pound Left Tackle Jerry Lacy, touted by Frala as "an all-state and Big Ten prospect." Lacy and six other Belleville offensive starters are lettermen and seniors.

Changes in the Granite City lineup this week are at left halfback, where Vic Buehler, a junior, moves in and at left guard, where converted Halfback Ken Berry will start.

With the exception of Lacy, the Maroons have an unusually light line, and will be outwheeled by some six pounds per man by the Warriors. Just the opposite is true in the backfield, where Belleville holds about an eight-pound advantage per player, plus a probable edge in speed.

Granite City bowlers Max Legate and Sam Lucido Jr. are among eight survivors of the Southern Illinois Bowling Proprietors Association national all-star tournament eliminating round.

Together with six other area leggers, they will meet in a 16-game final round Sunday at the Bunker Hill lanes. Separate sessions are at 1 and 7 p.m.

The eight bowlers are the ones who led the 41-man preliminary field in total pins for 24 games the past two weekends at four SIBPA establishments.

On Sunday, each will shoot two games apiece against his seven opponents, plus two position rounds which will conclude both blocks. The winner will be determined by the Peterson point system, which allows one point for every game won and one point for each 50 pins knocked down.

Barney Chappel of Jerseyville led the field in the 24-game preliminary with a 473 total, an average of 198-11. Elmer Maki, who held a 21-pin lead after the first 12 games, slipped to second in the final accounting with 4754, a 197-2 average.

Legate was third, Augie Nischwitz of Wood River fourth, Pete Schuch of Belleville fifth, Lucido sixth, Bob Benry of Collinsville seventh and Truman Hendard of East St. Louis eighth.

The winner of the final round will receive an all-expense paid trip to San Bernardino, Calif., to compete in the National All-Star tournament, a 100-game grind on Jan. 12-21.

## Solons Vote Down \$21 Claim For Curb Damage To Tire

Replacement of tires on private citizens' autos — damaged on city streets — was discussed at length Monday night by Granite City council members who turned down a request for replacement of a tire damaged on a defective curb in East Granite.

Earlier in the council session the council approved payment of \$100 to a local resident whose auto was damaged at an excavation at 25th street and Madison avenue where the city had made severe repairs. The auto owner had taken the matter to the circuit court at Edwardsville and received a judgment, which the city attorney recommended be paid.

Alderman Rufus LeMaster immediately took the floor and said he was unable to get a \$19 bill presented for replacement of a tire on an auto owned by his constituents damaged at an open manhole in an alley at 21st and Benton streets.

"LeMaster said he was presenting officer during a meeting about three weeks ago when Mayor Davis was absent, and he could not get another alderman to submit the bill.

"It's not right to pay some and not others, I don't know why this happens," LeMaster commented, adding that he had discussed the matter with the city attorney.

"**Vote Up Bill**"

While LeMaster berated the council, he later added that because he was presiding, he believed he was unable to present any proposal to the council and after other aldermen refused to submit it, he tore up the bill and threw it away.

The \$21 bill for the tire replacement because of the curb in 2300 block of Hodges avenue was submitted by Alderman Samuel Whitmer, who said

he was told by the city attorney that the city was not legally responsible but might be morally responsible.

The motion lost by a 5-to-2 vote.

After the vote of rejection, Whitmer recalled that a few months ago the city bought a new tire for a man who drove over broken glass on a street in West Granite.

Alderman Paul Rutledge said publicly over the tire purchase had resulted in ridicule for the city because of street conditions and he had heard others were planning to submit bills.

Fifth Ward Alderman Steve Basarich said the broken glass was on a street in his ward and that the replacement was not agreed upon because of the location. "That man notified the city earlier of the broken glass and nothing was done about it," he explained.

Rutledge added that defective curb did not seem a proper reason for buying a tire, and that methods of driving should be taken into consideration.

During the discussion it was brought out that a motorist who made a turn improperly and drove over a catchbasin, was planning to file a claim because of damage to his car.

The city was notified by Evelyn Crawford, 3128 West Avenue, that she was planning to file suit over injuries sustained in a fall last Aug. 26 near her home as a result of loose gravel. The notice was referred to the city attorney.

Also referred to the city attorney was an similar occurrence last Aug. 1 involving a fall in which a woman suffered injuries. No name was mentioned, but it was pointed out the fall occurred during the period the city was without liability insurance.

## Law Library In City Court Under Study

A request from the local Bar Association for establishment of a city court law library in the city hall offices now occupied by the city engineer was received Monday night by Granite City council members, who referred the proposal to the City Court committee.

The request was made by Atty. Horace Calvo, president of the local law group. The association members are gathering several thousand dollars worth of volumes for the law library and point out the present location in the city court judge chamber is inadequate.

It was learned the city plans to move the engineering office into the third floor office suite now occupied by the township assessor, who pays rent to the city. Assessor Von Dee Cruse was notified several months ago the engineers' present office is adjacent to the city court office.

## 7 Quad-Cityans File Bankruptcy Petitions

Bankruptcy petitions are on file in the office of the federal referee at Springfield for seven Quad-Cityans, according to notice received this week by the local Associated Retailers & Civic Association.

The petitions have been filed for Gerald DeMontmollin, 2843 Myrtle avenue; William Cleveland Matthews, 2404 Madison avenue; James Edward Shand, Rural Route One; Woodrow Wilson Loberger, YMCA, and Raymond Clyde O'Neil, 2210 Nevada avenue, all of Granite City, and Alvin Frederick Linder, 1933 Sixth street, and Jessie Buster Hollis, 1318 Grand avenue, Madison.

## Locks Has Second Busiest Month Of Year In October

Heavy downstream shipments of grain, the second largest monthly total of the current year, helped to make October the second most productive month of the year, tonnage-wise, at the Chain of Rocks canal and locks.

Freight tonnage for the month just completed totaled 2,270,531, exceeded this year only once, in August, when 2,350,021 tons of freight negotiated the locks, a report from the District Corps of Engineers office shows.

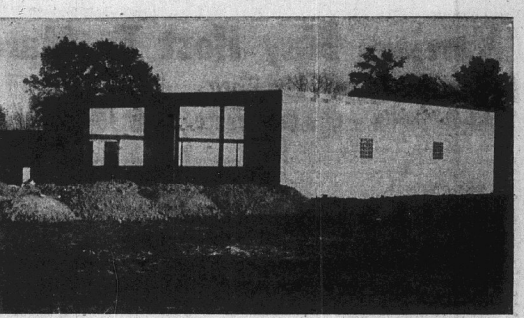

October traffic helped to boost the year's total tonnage to 19,157,262, as compared to 18,533,783 tons for the first 10 months of 1959. Vessel totals were also up to 3,221, as compared to 28,139, and lockages to 10,589 for January-October of 1959 to 6350 for the first 10 months of this year.

Of the 2,276,581 tons of commercial freight passing through the locks in October, 1,293,006 tons were traveling upstream, 973,375 tons downstream. The downstream figure has been topped only once in 1960, again in August. Government traffic accounted for the remaining 370 tons.

Vessels negotiating the canal and locks in October included 731 towboats, 292 barges, six U. S. contractors' boats and barges, 102 private recreational boats, nine U. S. government towboats, 58 government barges, one small government craft, one government construction boat and 13 U. S. cruisers and patrol boats, a total of 3543 craft which accounted for 827 lockages.

A breakdown of commercial tonnage, showing product, direction of travel and amount, follows:

Petroleum products—up 400, 675, down 191,300; grain—up 12,800, down 629,450; coal—up 462,000, down 2099; cement and gravel—up 2800, down none; sulphur—up 28,710, down none; miscellaneous commodities—up 275,976, down 68,425; chemicals—up 81,800, down 16,600; steel—up 28,135, down 67,600.

**COMPLETION DATE** for the new Nameoki town hall building has not yet been set. The concrete block structure with a lower brick veneer office addition to the left is located on the south side of State Route 162 a few hundred feet east of the Route 111 intersection.

## City's Half-Year Financial Report — \$583,646 Disbursements, \$454,194 Balance

Granite City ended the first half of the current 1960-61 fiscal year on Oct. 31 with a \$454,194 balance in its general fund accounts, which showed disbursements totaling \$583,646 during the six-month period.

General fund expenditures during October amounted to \$87,512, which was below the \$97,275 average set for the first six months, and the city's income for that month was \$138,650 including a tax settlement. A final settlement of this year's tax collection still is due from the county.

Of the 15 general fund accounts, only one showed a deficit on Oct. 31. That was the pumping station account which was \$2069 "in the red" after six months' disbursements amounting to \$3661.

**General Fund Breakdown**

A breakdown of the other accounts showing six-month disbursements and Oct. 31 balance in that order follows:

## Says India, Israel Important To U.S.

Burton Bernard, assistant state's attorney of Madison county, told the Granite City Rotary Club Tuesday night that Israel and India are the only democratic countries in the Middle East and Asia.

"As such," he said, "it is to our own best interests to build up good relations with these two countries. The United States will have great hearing on these relations."

Bernard, who spent six weeks last summer visiting Israel and India, pointed out that "Indians are colored people, and there is no question but that we handle the colored situation in the United States will have great hearing on these relations."

While India is partly democratic and partly socialist, the latter being the philosophy of Prime Minister Nehru, Bernard emphasized "the country does have free elections. And, incidentally, have you ever stopped to realize that our own election today is one of only 15 in the world today?"

Describing some of his observations in Israel, he deplored the impasse between that country and the Arabs which has resulted in idling important schools and hospitals, as well as making refugees of several hundred thousand Arabs that formerly lived in Israel.

Special guests of the club were Clara Ann Talmajian and Nancy Jaett, junior high school students who were in the club for a month-long action in employing mouth-to-mouth resuscitation saved the life of a ten-month-old baby recently.

James Lewis was program chairman, introducing Bernard, and President Deane Mabrey presided. The feat of the two girls was described by Rev. Verne Barnett.

## State Oks Two MFT Street Jobs For Granite City

State approval for use of motor fuel tax funds on two city street projects was received Monday night by Granite City council members who will proceed with obtaining construction plans and seeking bids.

The state highway department stipulated that for the 18th street resurfacing, between State street and Madison avenue that funds received by the city through sale of street car parking are to be credited to the city's motor fuel tax funds.

The broken concrete pavement is to be repaired and the two blocks resurfaced with asphalt.

The other project calls for paving of West 24th street between Ohio and Missouri avenues at an estimated cost of \$40,000 motor fuel tax funds.

Also approved by the state was the city's application for paving of West 24th street between Ohio and Missouri avenues at an estimated cost of \$40,000 motor fuel tax funds.

## City Prepared For Signal Lights At School Crossings

Preparing for installation of permanent type electric traffic signals at school crosswalks, Granite City council members adopted an ordinance Monday night setting forth the general operation of the red and yellow, hand-operated lights and authorizing installation wherever it is deemed necessary for protection of pedestrians.

Authorization has been given for such installations at 20th and Benton streets to serve Emerson grade school pupils required to cross the busy intersection and also at 29th street and Madison avenue where operation of a portable signal light has been inconvenient for the Emerson grade school.

State OK's 10th Street. Approval has been granted by the state highway department for use of motor fuel tax funds for the 20th and Benton streets installation, and an application for \$5000 MFT funds for the 29th street and Madison avenue lights was made Monday night.

The council authorized the city to seek for the Emerson school lights at a request made by Alderman Arthur Wieser on Monday night.

The ordinance, introduced by Charles Meyer, chairman of the Ordinance Committee and supporter of the light on Madison avenue at 29th street, authorizes the city to place lights at any school crosswalk where they are found necessary for the safety, and if on state routes,

such as Highway 67a on 20th street and State Route 3 on Madison avenue, state approval is to be sought.

The permanent type lights are to be in operation during school hours. They will be amber except at such times when pupils operate a pushbutton to cross, then they will flash red, requiring motorists to stop. Penalties for violations will range from \$1 to \$100.

New School Stop. The council also approved an ordinance for installation of a school stop sign on West 25th street at Dewey avenue to protect pupils attending Logan grade school and West 25th Junior high school. The sign is to be operated on school days from 7:30 to 8:30 a.m., 11:15 a.m. to 12:30 p.m. and from 2:55 to 3:15 p.m.

Meyer questioned Mayor Davis on the results of a traffic survey conducted during the past winter by PTA organizations working with the city and the American Automobile Club. "The PTAs are meeting now to want to know the results," Meyer said.

Mayor Davis explained the preliminary report now in the hands of the police department and is being processed before the city council.

The mayor added that some discrepancies were found, but a conference is to be arranged with automobile club officials. "Then I'll make an announcement to the public," the mayor said.

## GC Master Sewer Meeting Planned Late This Month

A preliminary draft of relief sewers for the proposed master sewer and drainage program in Granite City is expected to be completed by the end of this month, according to a progress report submitted Monday night to the city council by Edward N. Juneau of the engineering firm of Sheppard, Morgan & Schwartz.

A suggestion was made, along with the sixth progress report, that a meeting of the Citizens Committee and city council could be held at that time to go over the details in connection with the survey being conducted with a federal grant.

Juneau also reported the survey team is determining the volume of storm water flow tributary to various existing inlets, and from these measurements, the capacity of existing sewers has been obtained.

The engineer said he has held conferences with the Corps of Engineers in St. Louis to secure information on plans by the Army Corps for handling storm water within the depot and adjacent areas and requirements for constructing sewers through existing levees.

The survey teams are concentrating on compilation of field data already obtained and completing contour maps of fringe areas.

Inspections of portions of sewer trunk lines have been delayed because of heavy industrial flow, but completion of the work is expected this month.

**SCOUTS RECEIVE MARIAN AWARD**

Nancy Scaturro, Marilyn Gonsky, Kathy Ochoa, Mary Donna Scaturro and Virginia Pace of St. Mark's Intermediate Girl Scout Troop 61 received the Marian Award Sunday morning at the 8 o'clock mass, with the presentation being made by Rev. Robert C. McCarthy.

Rev. McCarthy congratulated the girls and their co-leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger, on their accomplishment, which took five months to achieve.

The Marian Award was developed to help girls to become better members of their faith and to recognize in their activities the opportunity for living the teachings of the church and the principles of the constitution of the G.I.R.

The force behind Girl Scouting is a spiritual one, it was pointed out. Scouting affirms that development of good character and sound citizenship is a responsibility to God. The Marian Award is intended to provide an opportunity to broaden knowledge of religion and become interested members of the parish and community. The award is worn on the uniform or dress, near the heart.

Also in uniform, attending the mass ceremony and receiving Holy Communion in the group were Bernice Kooner, Judy Reidelberger, Barbara Mulick, Sharon Parker, Charlotte Sherry and Mary Frances Lee, who next year will become eligible for the award, meeting the requirement of 12 years of age.

A breakfast was served to the Girl Scouts and their leaders. Invited guests were Rev. McCarthy and the parents of the girls receiving the award, Mr. and Mrs. Dominic Scaturro, Mr. and Mrs. Gus Scaturro, Mrs. Phillip Ochoa, Mr. and Mrs. Alfred Pace and Mr. and Mrs. Jesse Gonsky.

## PRESENTING THE 1961 Thunderbird

UNMISTAKABLY NEW... UNMISTAKABLY THUNDERBIRD

SO NEW THE STEERING WHEEL MOVES OVER TO WELCOME YOU IN

Here is the finest expression of the Thunderbird spirit, unquestionably Thunderbird in its classic lines and sparkling performance—not a hair wider nor a tooth of an inch longer. A Thunderbird to uniquely new it stands alone in the fine car field.

In six brilliant years the Thunderbird has established itself as the trend-setter of our times. The dramatically new Thunderbird for 1961 is true to the Thunderbird tradition in every trend-setting detail. It preserves all the features that mean Thunderbird: the classic Thunderbird lines and distinctive styling, the four-passenger luxury, the famous console, the sports car handling and performance. At the same time, the unmistakable newness you find in the Swing-Away Wheel is reflected throughout this uniquely new luxury car. As standard equipment, you have the exhilarating, new high-performance Thunderbird 300 Special V-8. Tailored precisely to the Thunderbird's weight and size, this brilliant, new engine brings you Thunderbird spirit at its liveliest. A trio of power assist—also standard equipment—functions as a precision team for a new high in automatic driving. New Cruise-O-Meter Drive introduces you to the will-o-wisp steering of vacuum-controlled automatic shifting. New Power Steering reduces steering effort up to 65%. New, larger Power Brakes adjust themselves automatically. As you take the driver's seat, you notice new luxury, new comfort everywhere. See your Ford Dealer to test-drive the unmistakably new, unmistakably wonderful Thunderbird for 1961.

## Patrol Boys Honored During Webster PTA Open House

The Webster school PTA held "National Education Week" open house from 7 to 7:45 p.m. Tuesday evening at the school for approximately 300 persons.

Don Seltzer, president, conducted the regular monthly meeting. Brownie Troop 145, sponsored by the PTA acted as color guard and prayer was offered by Clyde Lee, school principal.

Mrs. Jo Ross, who with Mrs. Dolores Mount serves as leader of the Brownies, was program chairman, and introduced Miss Elsie Gilard of the school faculty, who spoke on "Interested Parents." Also introduced was Miss Ethel Lerch of St. Louis, who sang "The Best Things in Life Are Free."

Mrs. Shirley Yates, American-

ism chairman of the Auxiliary of the Veterans of Foreign Wars presented the school patrols with a 50-star flag.

Guy Lahr, supervisor of patrols, paid tribute to the splendid work done by the boys, and the patrols were presented with new arm patches, badges and membership cards by Police Lt. Paul Moore.

The attendance award went to Miss Dorothy Hopkins, 4th grade; and to Jan Strotheide, a former sixth grade pupil at the school, presented Principal Lee with a movie screen and two pictures purchased by the 1960 sixth grade class.

Refreshments were served by the members of the faculty.

## Nameoki School Classroom Tour At Open House

Nameoki grade school held open house Tuesday evening for parents and friends.

The rooms were open for the parents to inspect, and the teachers invited the parents to view their children's books and display of handiwork.

Members of the PTA manned the corridors and directed the parents to the various rooms. They also accepted memberships into the PTA.

Refreshments were served in the cafeteria after the tour.

Russell Robbins, principal, and Herman Greve, president of the PTA, were in charge of the open house.

ENTERTAINS UNCLE

## Police Report Quiet Election Night In GC

A comparatively quiet election night was reported by Granite City police.

Only one arrest was made and that was for a stop sign violation at 19th and State streets about 2 a.m.

Two complaints of a loud television set in an upstairs apartment in the 2200 block of Delmar avenue were received at 2:35 and again at 3:29 a.m. Wednesday, and also about 3 a.m. police steered a drunken celebrant into the right apartment in a flat in the 900 block of Niedinghaus avenue after he had knocked at the wrong door.

An election fight between "buddies" outside a tavern at Nameoki road and Pershing avenue was broken up about 10:30 p.m. Tuesday, when the men decided to settle their differences.

The only other reports received during the night and early morning were that a door had been left open at Fahner's Service Station, 28th street and Nameoki road; a defective burglar alarm at a downtown auto supply store, and a door found open at a display home on Johnson road.

All three places were checked by police and the proprietors and nothing was found amiss.

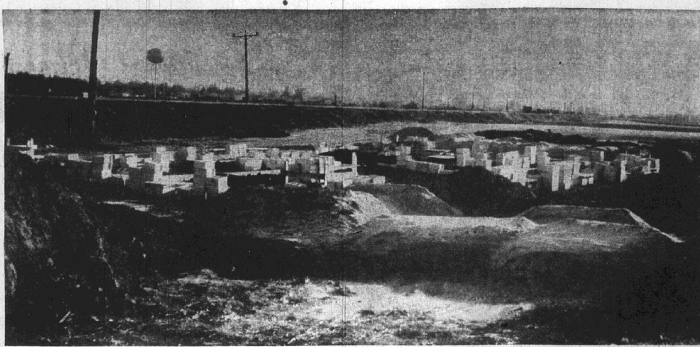

## Col. Ryan To Speak At Salvation Army Center

Col. and Mrs. Glenn Ryan and Lt. Col. and Mrs. Milton Agnew will conduct the evening service at the Salvation Army hall on Sunday.

### Seek To Improve Control of Heat In Rooms At GCCHS

Acting to improve control of heating between individual rooms at Granite City high school, the school board Tuesday night decided to purchase six thermostats at \$32.25 each and four air-operated valves at \$33 each from the Minneapolis-Honeywell Co.

The board instructed School Engineer Marvin Dean to continue his efforts to improve heating controls and to submit further recommendations to the board.

Dean related that room controls at the high school and McKinley school are by pneumatic systems, dating back to 1907 at McKinley and the 1920s at GCCHS. Each thermostat operates a valve in a small air line leading to an air-operated radiator valve.

"Age has taken its toll, and these systems need replacement," Dean commented. "Repairs have been unavailable for many years. When a system fails, the radiators overheat so much that wide-open windows will sometimes not permit the heat to dissipate. Good maintenance, therefore, is essential for both comfort and economy."

Some replacements made at the senior high, there are nearly 40 of these old thermostats and almost 70 of the air-operated valves. At McKinley, there are approximately half as many. In each school some replacements have been made, leaving potential replacement of 60 thermostats and 100 or so valves. Replacements are available only from Minneapolis-Honeywell.

"However, this equipment is rugged, and a 'crash' program is not indicated as needed, other than the urgent need for six thermostats and four valves at this time," Dean reported.

Board Member Herbert Blachoff noted that "this has been a bad problem at the high school for many years," and Board President Homer Huber said there is a need for revision of the heating controls in the GCCHS auditorium, which he said is "too hot."

Further discussion at future board meetings was planned.

**Windshield Broken**

Board Weighing Names  
For West 25th School

Naming of the new junior high school on West 25th street was discussed Tuesday night by the Granite City school board, which scheduled a decision for its next meeting on Nov. 29.

The Nov. 22 meeting was postponed one week due to the Illinois Association of School Boards annual meeting in Chicago Nov. 20-22, to be attended by Supt. Harold M. Kaiser and Board Member Glenn Alenroth.

Names most prominently mentioned in Tuesday's discussion were West Junior high, first choice of the name committee, and Sophia Prather junior high, fifth choice.

Other recommendations of the committee, which consisted of faculty members, pupils and parents, were Beckman, second choice; West Granite, third; and Riverside, fourth choice.

Board members said they had received calls from Granite City park district officials urging selection of the Prather name in honor of a former Washington grade school teacher who was placed in charge of the Lincoln Place community center when it was opened for use in 1922. The center is now a part of the park recreation program.

Tuesday's discussion brought out high praise for her efforts to create a wholesome athletic, recreational and citizenship program for families of the area, including new immigrants.

In recommending the name of West Junior high, the committee said "West refers to a geographical location, being in the western section of Granite City. West Junior high is the name that we are using at the present time, it is very popular with the students and parents, receiving a majority of votes cast in our recent name election."

To Meet With Principals

In addition to the Nov. 20 board meeting, the board made plans to participate in a dinner meeting at 8 o'clock the following night, Wednesday, Nov. 30, at the principals of the city's 15 schools.

Wives of the board members and principals will attend.

Plans for the Granite City high school cafeteria, the dinner will serve as a get-acquainted gathering and was arranged at the request of the principals. It will be "Dutch treat," it was reported.

The board accepted a resignation from Mrs. Rosemary McConkey, West 25th street junior high counselor, and approved attendance by Rex A. Niles of the high school faculty at a meeting of the Illinois Technical Drafting Teachers' Association Nov. 15-15 at Allerton Park, Ill.

Confirm Liberty Sale

A taxicab strike starting here this week was discussed briefly and the board unanimously adopted a resolution confirming sale of the former Liberty school building and site to the Granite City Home Builders Corp.

Board President Homer Huber questioned whether the board should take the action, noting that school property is technically owned and sold by the township school trustees. School Attorney Maurice Dailey urged adoption to remove any doubt of the title being cleared, reporting that he will seek similar confirming action by the trustees.

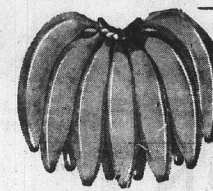

Dailey, who represented both the board and the trustees in the transaction, related that the board had specified cash terms in its initial request for the sale.

## Legion Auxiliary, Unit 113, Plans Membership Drive

The American Legion Auxiliary, Unit 113, met last night at the Legion Home with Mrs. Mary Batson presiding.

A contribution was made to the United Fund and the president announced a membership drive to take place in the near future. Also planned was a party at the Edwardsville Station on Dec. 22, and the ways and means committee will be in charge of a birthday club to be formed among the Auxiliary members.

Tentative plans were made for a spring fashion show and Mrs. Lois Morgan, a newly elected secretary, was installed by Mrs. Winifred Costello, a past district officer. A silent jewelry auction was held after the meeting and refreshments were served by the hostesses, Mrs. Abbie Fox and Mrs. Costello, to 25 members.

Prizes were awarded to Mrs. Lucille Hanenbrink, Mrs. Mary Batson, Mrs. Shirley Costello, Mrs. Melba Wade, Mrs. Costello and Mrs. Joan Hillner.

# 100 Attend Meeting Of Sacred Heart Mothers

Approximately 100 members and guests attended a monthly meeting of the Sacred Heart Mothers Club last night at the school.

Mrs. Doris Huff was in charge and the group made final plans for the annual Fall Festival to be held Saturday at 10 a. m. and for a rummage sale Nov. 26 in Madison. The Christmas party for the school children was also an important item on the agenda, as was a canned goods shower for the Sisters at the school in connection with the party.

The prize for the evening went to Mrs. Emma Station and refreshments were served by Mrs. Kathleen Hagnauer and members of her committee.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Gettelman, assisted by Mrs. Evelyn Bringer. The girls answered roll call with items pertaining to Thanksgiving dinner, learned a new song, played a make-believe game, discussed the festival of giving and did speller painting. The meeting closed with "Taps."

Those present were Kay Neminger, Jean Funkhauser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Sandra Freeman, Brenda Mistler, Sandy Deatherage, Elaine Rustio, Judith Baker, Darla Sneed, Debbie Grace, Sally Gettelman and Mimi Midgett.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Scoutmaster Tom Stakoff and Chairman Jake Gettelman. The boys worked on advancement. Boys present from the Batt's patrol were Alan Gettelman, Donald Dayton, Larry Dayton, Glenn Ashoff and Dale Werner, patrol leader; Apache patrol, Charles Dean; and Flaming Arrow patrol, Mike Boyer, Leslie Hall, Mike Abernathy, patrol leader, and the assistant senior patrol leader, Bill Ashby.

Brownie Troop 75 met Tuesday evening at Stallings school with Mrs. Mary Lee Krohn. A short business meeting was held, and then the girls worked on handicraft, making necklaces and bracelets.

Those present were Laverne Prill, Pamela Britton, Patty Jacobs, Beverly Hankin, Susan Krohn, Janice Upton, Donna Upton, Paula Elliott, Rita Sue Ernst, Brenda, Simmons, Margaret Wilkerson and Betty Hanfielder.

Mr. and Mrs. James Hodshire, 3829 B street, returned home Sunday night after spending the weekend at Ava, Ill., visiting his father, Oscar Hodshire.

The Pomona Church of Christ will hold a roller skating party tonight from 10 to 12.

# Two Small Boys Treated For Minor Injuries

Two small boys were given emergency treatment at St. Elizabeth Hospital yesterday.

Jimmy Sparks, 3, son of James Sparks, 189 Big Four Place, was x-rayed after striking his head in a fall against a chair. He was unconscious but recovered and was released.

James Barzee, one-year-old son of William Barzee, 2804 Edwards street, was treated for a cut to his forehead, suffered when he struck it against the headboard on a bed.

# Lambert Fined \$100 For Contempt Of Court

Donald C. Lambert was fined \$100 for contempt of court by Judge J. H. Stueper in city court here after Lambert's denial of being married again were disproved Saturday in the court.

Lambert, who operates the Lambert real estate and insurance agency at 1831 Delmar ave-

nue, appeared before Judge Stueper in answer to a petition for citation of non-payment of support monies filed by his former wife, Roberta.

He was further ordered by the court. In a decision handed down Monday, to pay his former wife the sum of \$1400 per month, plus \$214 per month for five months and the balance due to \$2145 in this week.

past due support monies in the sixth month, the clerk of the court said.

The contempt ruling resulted after Lambert admitted before the court that he had married again, after at first denying such an allegation. He and his former wife were divorced on July 28 of this year. They have six minor children. Lambert paid the fine.

The honoree received many gifts.

**MOVING? CALL L & W MOVERS.** TR. 6-7610.

An executive meeting was held before the Christian Youth Fellowship meeting Sunday night at Central Christian Church. The regular meeting was called to order by President Allen Kennerly. The prayer was given by David McKel.

Everyone who helped make the car wash a success was thanked, and Christmas decorations for the front of the church were discussed. It was decided the girls will do the art work and the boys the carpenter work. The meeting was adjourned and the group went to worship, led by David McKel and Conley Howell. Peggy Littford led the songs.

The group next played word games led by Marcia Walker. Refreshments were served by Cindy Lassiter and Betty Byrnes. The meeting was closed with the friendship circle. After the meeting, the youth choir practiced, with Mrs. J. G. Rutter directing.

Those present were Conley Howell, Peggy Littford, Larry Whitwell, Larry Peppers, Allen Kennerly, Cheryl Rice, Marcia Walker, Bill Moritz, Mary Crouse, Betty Byrnes, Cindy Lassiter, Carlene Butler and Mike Vasiloff.

Intermediate Girl Scout Troop 31 met Tuesday evening with Mrs. Corine Kreher, assisted by Mrs. Florence Deatherage. The meeting was conducted by President Janis Mehelle. The girls drew their own designs to use on arts and craft work for Christmas presents.

They discussed the festival of giving, and the meeting was dismissed with "Taps." Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Janis Mehelle, Cheryl Flak, Virginia Glenn and Peggy Busby.

The executive board of Stallings school PTA met Monday night at the home of Mrs. Emma Belleke. Mrs. Dorothy Neisinger was in charge.

Open house was discussed, and it will be held tonight at 7:30. Those present were Mrs. Corine Kreher, Mrs. Evelyn Bringer, Mrs. Evelyn Ringering, Mrs. Florence Deatherage and Roger Bowler.

Den Four of Cub Pack 23 met Monday evening with Mrs. Laverie Rapp and Mrs. Leona Clark. The meeting opened with the pledge and promise, and the boys worked with play dough, worked on thank boxes, learned Indian signs and celebrated Gary Rapp's birthday. The meeting closed with the Lord's prayer. Refreshments were served to Michael Boyd, Robert Clark, Dennis Cline, Gary Rapp and guests Gary Rapp, Jimmy Clark and Judy Clark.

## 54th TB Christmas Seal Drive To Open

The 54th annual Tuberculosis Christmas Seal campaign will be launched Monday by the Madison County Tuberculosis Association. It was announced today.

The seals are to be delivered by postmen in letters prepared by volunteer workers from Madison county ladies' organizations.

An appeal for public participation in the campaign was issued by the association officers, who are headed by President Warren Stookey of Wood River.

and include Dr. A. H. Rode of Granite City, first vice-president, Dr. E. H. Theis of Granite City is a member of the executive committee.

Contributions will be used to help support and expand the county tuberculosis association's program, which includes health education, case detection, follow-up and research designed for the protection of all from tuberculosis.

"The holiday season gives

each of us an opportunity to support this program by contributing and making liberal use of the tuberculosis Christmas seals," Stookey commented.

During 1960, 20,390 chest x-rays were taken by a mobile unit and 254 larger x-rays were taken because of various chest conditions detected by the initial survey. This program helps discover not only new cases of tuberculosis but also many other chest conditions in time to

cure them, the drive spokesman pointed out.

The organization's tuberculosis testing program protects school children, and health literature and films are provided to students, teachers, hospitals and industry and adult groups, he added.

### NAMEOKI WSCS HEARS PANEL DISCUSSION

The Nameoki Methodist Church Society of Christian Service held a monthly meeting Monday evening in the church sanctuary with 19 members present.

Mrs. Ann Haley gave the devotion on "Into All the World Together." Group singing was enjoyed, with Mrs. Haley leading the songs and Mrs. Ruth Hancock providing the piano accompaniment.

The lesson was a panel discussion given by the Naomi circle, with Mrs. Fay Beas as moderator and Mrs. Mary Bailey, Mrs. Dorothy Wallace and Mrs. Peggy Dillard as panel members. Mrs. Haley closed the lesson with prayer.

The business meeting was conducted by Miss Morena Groschong, president. On Dec. 1, the group will serve lunch to the Coterie.

The Christmas meeting will be on Sunday, Dec. 4, at 7:30 p.m., at which time a film on "How We Got Our Christmas Carols" will be shown. The film will be for the entire church congregation. Mrs. Waller closed this portion of the meeting with a prayer.

Mrs. Lois Wessell, Mrs. Dillard and Mrs. Mildred Nancy served refreshments. Others present were Mrs. Lou Ann Briner, Mrs. Johanna Collett, Mrs. William Kirchner, Mrs. Dorothy Luckert, Mrs. Edna Merz, Mrs. Vera Pittman, Mrs. Eva Potter, Mrs. Ann Stalcov and Mrs. Vivian Durein.

**LOMBARDI HONORED ON  
GOLDEN ANNIVERSARY**  
Mrs. Louis Lombardi was honored with an "open house" reception at the home of her daughter-in-law, Mrs. and Michael Lombardi, in the latter couple's home, 2108 Amos avenue, Sunday afternoon.

The Lombardis were married Nov. 5, 1910, at St. Charles, Mo., where the groom was a member of the Catholic Church in St. Louis. Mrs. Lombardi was the former Miss Mary Lolo and is now 69 years of age. Lombardi is 76. He retired in 1952 after being employed by the Illinois Power Co. since 1932.

They have three sons, Michael, Arcoline and Nick, who are married and live in Granite City. They have two daughters, Mrs. Amelia Chomko of Granite City and Mrs. Ann Neoherry of Edwardsville. One son, Adolph, is deceased. There are ten grandchildren and two great-grandchildren.

Gold and brown chrysanthemums were used by the hostess for the centerpiece of the buffet table and were flanked by golden candlesticks in gold candleholders. A large three-tiered wedding cake was topped with a miniature bride and groom and decorated with gold roses and gold bells.

Yellow and gold shades of cut flowers were arranged throughout the Lombardi home in keeping with the golden wedding theme. Approximately 150 guests called during the afternoon, including Mrs. Rose Petrillo, sister of Mrs. Lombardi, and Arthur Lombardi, brother of Louis Lombardi.

**MEN'S CLUB TOURS**  
A. O. SMITH PLANT  
The Men's Club of Nameoki Methodist Church enjoyed a tour of the A. O. Smith Corp. Tuesday evening, conducted by Stanley Young, after their regular monthly dinner at the church.

Lloyd Seymour, president, conducted the brief business meeting and Earl Lee gave the evening's devotion. The dinner was arranged by Jack Thornberry and Jack Luckert.

Members of the organization attending the dinner and the tour included Young, Frank Carroll, Mike Kavula, George Chapman, Rev. Leroy Pittman, Pete Stalcov, Leo Willis, Earle West, Arnold Mason, Burl Russell, George Teller, Joe Vrebeck, George Naney, Fred Hubert, Clarence Wallace, John Anselm, Glenn Johnson, Fred Collett, Milton Haley, Bryon Richter and Thornberry's son, Kevin.

The next meeting of the group will be Dec. 13 at the church.

**NIQ CLUB MEETS**  
Mrs. Edith Weiss entertained the NIQ club Tuesday evening in her home, 1832 Fifth street, for the regular monthly meeting.

Pinochle was played, with Mrs. Edith Weiss, Mrs. Mary Bailey, Ruby Hornberger and Mrs. Mildred Roberts winning the card prizes.

The hostess served a late dessert course to the prize winners and Mrs. Ann Shuman, Mrs. Carrie Hart and two guests. Mrs. Josephine Czerwinski and the hostess' husband, Isaac, were also present.

Mrs. Hart has invited the club to her home, 2143 Edison avenue, for the Christmas party Dec. 13.

**VISITORS FROM TEXAS**  
Mrs. N. A. Schuster and daughter, Cathy, of Houston, Tex., are spending a few weeks visiting with their parents, Mr. and Mrs. Frank Schuster, 1832 Fifth street.

### Launching Membership Drive

## Jaycees Plan 'Open House' Meeting Next Wednesday

Launching a membership campaign, the Granite City Junior Chamber of Commerce will hold an "open house" for prospective members at 7:30 p.m. on Wednesday at the Elks Lodge ballroom.

Features of the meeting will be games, entertainment and refreshments. A short talk will be given to explain the activities and purposes of the Jaycees.

Outlining these, Earl Parsons, president, said the main objectives of the Jaycees are to make the community a better place in which to live, develop leadership among the members, offer education, recreation and social activities to young men of similar ages and give the young men a voice in affairs of their community, state and nation.

The local Jaycees, active in civic, youth and charitable projects, and sponsor annually the Miss Granite City Pageant and a fishing rodeo which attracts hundreds of Quad-City youngsters each summer. The group also joins with other organizations in sponsoring the local Scholarship Fund.

Serving as officers in addition to Parsons are Virgil Waffar, internal vice-president; Jerry McPherson, external vice-president; Fred Frame Jr., secretary; Norman Draper, treasurer, and Alvin Barnes III, sergeant-at-arms. Officers are elected each year and take office in June.

The local Jaycees meet regularly at the Elks Lodge on the first and third Wednesdays of each month. The next Wednesday meeting being a dinner session.

**NEW ORGANIZATION  
ELECTS OFFICERS**  
Dorothy Has, who is a missionary in Texas, is the organizer for a newly organized women's organization of the Suburban Baptist Church.

Tuesday in the home of Mrs. Pauline Dahlhaus, 2502 Pine street, an election was held, and Mrs. Imogene Smith was elected chairman, Mrs. Elizabeth Greene secretary, and Mrs. Helen Peterson, community missions chairman.

The second Tuesday of the month was selected as the meeting date, and plans were made to prepare a Thanksgiving basket with the Missionary Society and to send sewing pieces to a lady in Ohio who will make quilts for a mission in Israel.

The December meeting will be held in the home of Mrs. Peterson, 2920 Portune drive.

**JOLLY MATRONS CLUB  
MEETS AT BAKER HOME**  
The Jolly Matrons club was entertained in the home of Mrs. Wanda Baker, 2022 Park avenue, Tuesday.

Games were enjoyed and prizes were awarded to Mrs. Della Murphy, first; Mrs. Baker, second; and Mrs. Margaret Presnell, third.

The hostess served refreshments to the prize winners, three guests, Mesdames Jeanie Grevelly, Margaret Grams and Frances Ostresh, and Mesdames Anna Mae Murphy, Johanna Milovich, Florence May, Virginia Ostresh, Helen Thine and Lottie Ostresh.

The next meeting will be in two weeks, when the club has been invited to the home of Mrs. Beulah Ernst, 2000 Beck with street.

**Baskets To Be Honored  
At Sales Conference**  
W. W. Bassett, general agent for The Ohio National Life Insurance Co. in Granite City and vicinity, and his associates John R. Bassett and Fred R. Williams, will attend a four-day sales conference, Nov. 14-17, in Hollywood, Fla.

The conference is being conducted for the Ohio National life sales leaders from the 26 states and District of Columbia in which the company is represented. They will receive special recognition as members of the company's honorary Leaders Club. The conference will also include sessions on current insurance developments, sales procedure and techniques.

**FELLOWSHIP ELECTS**  
The first meeting of the Children's Evening Fellowship was held Sunday evening at the Venice Methodist Church, 519 E. 11th street, with Rev. Craig Dillman in charge. Officers elected were: Kenneth P. Conger, president; Joyce Dillman, secretary; and Patricia Stilton, game leader.

Olivia P. Conger, Handmaid, was shown, after which group singing and games were enjoyed by the children. The next meeting will be held at the home of Richard and Dwight Kutz, Gary Wallace, Cliff Guffey, Cynthia Hargis, Barbara Thann, Roger Schaffner, Patricia Anderson, Joyce Dillman and Peter Riddle.

**Scoutmaster Harold Koelker** is in charge of Boy Scout Troop One at a meeting held Monday evening at the scout home on Broadway. The Eagle patrol was in charge of the opening and closing ceremonies.

Troop correspondence was read and the application of Jim Turner was accepted. Roger Schaffner gave a demonstration of open fire cooking using the fireplace at the scout home. Knot tying for work toward the ten-point badge was held.

A discussion was held on forming a first-aid team. Koelker announced that the next meeting will be held at his home, 207 Hampden street. Other boys present were Jerry Bartlett, Joe Howards and Dan Brown.

The junior high youth group of the Venice Methodist Church met Sunday evening, with the president, Robert Patterson, in charge. The lesson, "The Growing Mind," was read by Kenneth Mullin.

Following group singing, the group retired to the church basement for games. Officers present were Mrs. Craig Dillman and daughters, Sharon and Karen, Kathy Yearman and Karen Rogers.

**Tear Gas Used To Make Arrest At Cloverleaf**  
Tear gas was used to capture a man inside a restaurant in the Cloverleaf Addition at 1 a. m. Monday, but he was released from the county jail without charges last night after his claim of being an employee of the restaurant was verified.

Dputies patrolling in the area saw a man inside Kedd's restaurant with a gun. Deciding to remain at the scene, they radioed for assistance and were joined by Madison police. Venice police later picked up tear gas equipment at the Madison station and took it to the officers. Police said they repeatedly identified themselves and called to the man to come out. There was no response, and a patrolman threw a gas grenade through the open door. A short time later the man emerged with a 22-caliber rifle and was taken into custody by the deputies.

Asked if he had heard the officers, he said that he had. He could give no reason for his failure to leave the building, and was arrested pending further investigation.

**Charges Filed Against Both Drivers In Crash**  
Both drivers involved in a two-car collision at 20th street and Madison avenue were charged with careless driving this morning by Szepepanik.

They were Charles Szepanik, 32, of 2925 Washington avenue, who was driving south on Madison avenue, and James C. Radford, 45, of Rural Route One, who was traveling north and making a left turn onto 20th street.

Hearings for both drivers are scheduled for Saturday before Police Magistrate Gasparovic. Szepanik posted his driver's license as bond and Radford put up \$11 cash bail. Police said the front ends of both cars were damaged.

### JUNIOR AUXILIARY INSTALLS OFFICERS

Installed as officers of Junior Girls Auxiliary of Second Baptist Church, Friday, Tuesday evening were Carol Newberry, president; Carol Clemmons, vice-president; Beverly Finn, secretary - treasurer; Emogene Harmon, community missions; Nancy Keen, program chairman; and Connie Wigger, reporter. Those recognized were Mrs. Dorothy Barnes, director, and Mrs. Evelyn Smith, Mrs. Norma Rains and Mrs. Elmore Cook, leaders and assistants.

The girls were installed by Mrs. Maxine Dacus, who used a variety of bells in the ceremony, and presented a tiny bell to each officer and leader.

A six o'clock chili supper was served the group. A green crepe paper streamer centered the table, flanked with yellow candles, carrying out the auxiliary colors, green, gold and white. The centerpiece was a floral and figurine arrangement in a gold basket.

Opening the program was the auxiliary song "We're a Story to Tell to the Nations," and the watchword. The girls then expressed their opinions of the Girls Auxiliary and their thanks to the leaders. Present besides the National Board members, Newberry, Ruth Ann and Gail Anderson, Shirley Finn, Carolyn Bellman, Patricia Davis, Dianne Olive and Betty Helton.

### Sgt. Vernon Clinton Arrives in Korea

Sgt. Vernon Clinton, whose wife, Connie, lives at 2803 Denver street, recently arrived in Korea and is now a member of the 4th U. S. Army Missile Command.

Clinton, a mess sergeant in the Headquarters of the 4th U. S. Army, entered the Army in 1942.

He attended West Plains, (Mo.) high school.

## GC Kiwanians Elect Officers

### Karandjeff New President

Harold F. Karandjeff, president of the American National Bank, was elected president of the Granite City Kiwanis club Monday night at service club members named other officers for 1961 and directors.

He succeeded Francis E. Judd, Granite City realtor, who served as president for the past two years.

New officers and board members will be seated at formal installation rites to be held early next January. The club held its election at the Elks Lodge.

William Herman was named first vice-president; Gene Liche, second vice-president; Roy Feder, treasurer, and Eugene Frey was appointed secretary. Elected to the directors' board were Homer Johnson, Allen L. Jesse, Roy Graham, Leonard Oram and Joseph Acquaviva.

Additionally, in a talk, the Rev. Dr. Verle Barnett, pastor of the Netherland Memorial Methodist Church, likened leadership to a game of checkers.

"In checkers and in leadership," he told, "moves are made in one direction at a time. Moves, furthermore, are always forward."

The clergyman said it was not until the player achieved the king's row that he could move in either direction.

He carried on the parallel as to mankind's seeking rapport with God and with the divine spirit.

The president-elect along with other principal officers of the service club will attend a school of instruction late this month at Chicago, better to equip them to take over their new duties, according to Outgoing President Judd.

Lt. Gov. Orval W. Legate, Edwardsville, of the 14th division of Kiwanis, will officiate at the installation at a date next year to be fixed by the membership.

**Carpenter Holds 300,000-Vote Lead**  
An unofficial and still incomplete tally of statewide voting gives Republican Secretary of State Charles F. Carpenter a 300,000-vote lead over his Democrat opponent, James R. McLaughlin, it was learned today. Carpenter, seeking a third term, is the only Republican to gain a state office. Returns election night and early yesterday, gave slight leads to his opponent.

Later returns are being received from scattered parts of the state and complete totals have not yet been compiled.

The latest tally shows John F. Kennedy's lead over Richard M. Nixon has been cut to 6500 votes in Illinois.

**ALASKA'S RICHES**

## Venice Crippled Children's Group Renames Officers

Mayor John E. Lee was re-elected as president of the Venice Crippled Children's Organization at a meeting last night at the Venice city hall.

The group also re-elected all other officers. They are William Olenford Jr., vice-president; Mrs. Milton Morris, secretary; and William Olenford Jr., treasurer.

Plans were made for the annual fund-raising campaign of the organization, and the date of its annual benefit dance was set for Saturday night, Jan. 28.

It was decided to use some of the proceeds again this year to aid the county pool campaign and the Shriners' Hospital for Crippled Children. The next meeting was set for Nov. 20.

## 5 Win Teacher Scholarships

Twelve graduates of high schools in Madison county, including first Quad-Cities, have been awarded teacher education scholarships. It was announced today.

State Supt. George T. Wilks said the scholarships entitle candidates to enter teacher training at five state universities—Illinois State Normal University, Normal; Northern Illinois University, DeKalb; Southern Illinois University, Eastern Illinois University, Charleston; and Western Illinois University, Macomb. The scholarships supplement the initial list for Madison county and were made possible by a transfer of unused or partially used scholarships from quotas assigned to other counties.

A candidate for a scholarship must have graduated in the upper half of his class and be entitled to instruction, matriculation, graduation, tuition and activity fees in the teacher education program. High school principals certified the names of qualified candidates to Wilbur R. L. Trimpe, county superintendent.

The winners are Terry Dutko, Madison high school; Frank Fleming, James Alsop, Robert Strong and James Diamond, Granite City high school; and Sandra Sue Camp, Karla Voss, Richard Thompson, Beverly Pybas, Judith N. Hagen, Judy Marie Foeller and Judith Lee Boyd, Alton high school.

## Street Signs To Give Mitchell 'Big Town' Air

Street name signs for Mitchell provided by the Mitchell Kiwanis are expected to be ready for installation by the Christmas holiday season. It was announced Monday night as 12 members of the service club met at Smith's cafe.

The green hand markers, designating the streets of this unincorporated area in Chouteau township, are being purchased from money in the Kiwanis Street Sign fund.

The signs are treated so they are visible at night.

President Robert Franko urged that new and all outstanding pledges and donations to the fund be secured so the signs could be paid for on receipt.

## Urges Public Display Of Flag On Veterans' Day

A plea to have an American flag flying at every home in Venice and Madison on Veterans' Day, Nov. 11, was voiced by Venice-Madison American Legion Post 307 Commander Bobby J. Orasco during the post's regular meeting.

"In the interest of showing the rest of the world the unity of the American people, every home throughout the land should display an American flag on Veterans' Day," Orasco said.

He pointed out that the eyes of the world, particularly those of the forces of world communism, are constantly watching for any signs of internal weakness which might forecast the downfall of the United States.

"We here in the Quad-Cities do our part to help discourage any such thoughts about a weak, apathetic, dispirited American citizenry by flying the Star Spangled Banner on this patriotic holiday," Orasco added.

"With the American flag displayed in front of every home and place of business we can make this observance of Veterans' Day an unforgettable demonstration of Americanism, and at the same time show our community's measure of appreciation of our priceless heritage," he continued.

To those who are reluctant to display a flag because it contains fewer than 50 stars in the field of blue, Commander Orasco said that no American flag is ever obsolete. He assured residents that regardless of its age, as long as any American flag is in good condition, it may be displayed on all appropriate occasions.

He further urged any home which does not have a flag to obtain one for display on all patriotic holidays. Any person desiring to obtain a flag for display may get further information by contacting John E. Gonterman at 1009 Third Street, Venice, TR. 6-8626.

# 18 Games, Two Tournaments On Tap For Venice HS Cagers This Season

His top three scorers lost through graduation, Venice high school basketball Coach Zahn Wells this week is making final preparations for the Red Devils' home opener with St. Peter and Paul. The Waterloo school will come to Venice to inaugurate the local 1960-61 roundball season next Tuesday night.

The contest is the first of 18 games Venice will play during the regular season, plus participating in two mid-season tournaments.

Gone for good from the Venice floor are graduates Clarence Hand, Woolly Mowd and Ron Wyatt, who were 1-2-3 in scoring last season and led the Red Devils to a 17-8 record, including a second-place finish in the eight-team Madison-Bond-Clinton County conference.

Returning are regular guards, John Corrie and Larry Gray, playmakers on the 1959-60 club, who may be called upon to do a goodly portion of the Red Devils' scoring this season.

Both are lettermen, as are returnees Bill Shambro, Don Devany and John Koelliker, who saw only limited varsity action last year. Wells must select three starters from among this trio or the 24 other candidates for the varsity squad, which include only four juniors and not one senior.

"We'll probably be hurt by

lack of height," Wells observed. His tallest candidate is 6-2 Koelliker. "Looks like we'll have to rely on good defense and good shooting this season," was the head coach's comment.

Tournaments in which the Devils are slated to appear are the MBC test at Triad Dec. 13-16 and the Wesclin invitational in New Baden Jan. 9-14. After Tuesday's home opener, Venice will play five straight games on the road.

The varsity basketball schedule Nov. 15, St. Peter & Paul, Home; Nov. 22, Columbia, Away; Nov. 29, Bunker Hill, Away; Dec. 2, Western Military, Away; Dec. 6, St. Paul, Away; Dec. 9, Wesclin, Away; Dec. 13-16, MBC Tournament, Triad; Dec. 20, Worden, Home; Jan. 8, Triad, Home; Jan. 9-14, Wesclin Tournament, New Baden; Jan. 17, Livingston, Home; Jan. 20, Bunker Hill, Home; Jan. 24, Aviston, Away; Jan. 25, St. Paul, Home; Jan. 31, Wesclin, Home; Feb. 3, Worden, Away; Feb. 6, Triad, Home; Feb. 10, Livingston, Away; Feb. 14, St. Peter & Paul, Away; Feb. 15, Aviston, Home; Feb. 21-24, District Tournament, MBC Conference Games.

## Accept Bids For Window Blinds At GC Schools

Conforming to the audiovisual venetian blinds purchased for the four west Granite City schools, the school board Tuesday night decided to purchase blinds costing \$1474 from the Ken-Mar Venetian Blind Co. for the high school and rooms just added to it.

Ken-Mar bid \$1112 on regulation venetian blinds and \$1116 on shades, while Foley Venetian Blind Co. bid \$2044 on blinds and \$1490 on shades. They are to be installed at 71 window openings in 16 classrooms.

Shades to apply to present wooden rollers were bought from Foley at \$428 and shades with rollers from Foley at \$229. Ken-Mar bid \$502 and \$214. They will be installed at Niagara Ringhaus, Webster and the Logan annex.

In other action on bids, the board accepted a low bid of \$674 from Hadley Dean Glass Co. on installing six panels of shatter-proof plexiglas for a total size of 66x28 feet in the girls' gymnasium. The entire cost is to be paid from funds earned and accumulated by the Girls' Athletic Association.

School library magazine subscribers were awarded to Graham's Bookstore at \$1010, and installation of three white enameled cast-iron drinking fountains, each with four bubblers, was ordered on a low bid of \$361 from Ahrens and McCarron, Inc. The fountains are to replace existing units at Mitchell grade school.

It was decided to delay proposed repainting of the Mitchell school until there is better weather. The hope also was expressed that more than the two bids received can be attracted. Low bid was \$3150 from the William Baker Building Cleaning Co.

The board ordered repair of 16 physical education mats, two wall pads, three post pads and two mat covers at a cost of \$225 by the Cohn Co. and replacement of a booster heater in the Emerson school cafeteria by Morrison Distributing Co. at \$121.

A change order added \$451 to Rita Electric's \$52,086 contract on electrical work for C.H.S. additions. Additional work is being installed to complete light fixtures and wiring for a spray booth in Room 111. The board also ordered a display case for the school.

The board asked for a continuing study of varying electric power bills at different schools, and suggested inspection of existing equipment and meters by the Illinois Power Co.

## Park Bowling Program For Girls Expands To 2 Kegling Locations

The Granite City park district's girls' bowling program, with enrollment listed at 200 girls, will begin Saturday morning at two bowling locations, Park Recreation Director Harold Brown said today.

About 160 seventh through ninth grade girls will open the program at 9 a.m. Saturday at the Big Top Bowl on Nameoki road, while 100 other girls in the third through sixth grades will begin the kegling sessions at the Granite City bowling lanes.

Brown said the expansion to two locations became necessary due to increased interest in the program, and that the program will now be able to accept more interested girls.

## Nov. 17 Deadline For Entries In Park's Basketball Leagues

Teams planning to enter the Granite City park district's Junior Teenage, Senior Teenage, Church or Classic basketball leagues must submit their applications no later than Nov. 17, Park Recreation Director Harold Brown said this morning.

Brown, who supervises the program, said that far four squads have been signed for the Classic loop, three for the Church league and two in the Senior Teenage division.

The park's basketball season will open on Nov. 28.

## American Legion Post 113 Ups Membership

Eight members of Tri-City American Legion Post 113 are to receive "Hofmann's Club" recognition cards for signing 25 or more new members during Post 113's membership drive which was climaxed with a dance last Saturday night, senior vice commander of the post, Joseph Gottfried, reported during a post meeting Tuesday night.

The successful membership recruiters are Edward Hommert, Harry Montague, Gene Ross, Alex Duccini, Wilbert Niepert, Harry Hillner Jr., A. Burt Harris and Guy Cooper. Membership in the post now stands at 321.

The post will send a drill team to the twilight Veterans' Day parade in Edwardsville Friday night. Post 113 will observe family night at its meeting on Nov. 26.

## Dunbar Records Pair Of Victories In Basketball Kickoff

Dunbar grade school of Madison kicked off its basketball season with a pair of cliff-hanger victories yesterday. The Dunbar varsity overcame a 9-11 halftime deficit and went on to defeat Lincoln grade school of Venice 27-24 after the Dunbar team slipped past Lincoln 26-24 in the night's first game.

Kerry Logg topped all scorers, netting 20 points for the Dunbar varsity. Percy Dillon dumped in 10 for Lincoln. Arthur Adams' squad, which posted an 11-2 record last season, will host Cahokia at 6:30 p.m. next Thursday. Thirteen games make up the Dunbar schedule this season.

## Identical City, Township Precincts Would End Much Election Confusion

Two short weeks ago, Granite Cityans cast ballots at 21 polling places in a city election. This week, in exactly the same geographical area, the people voted at 28 polls on county, state and national issues.

There has not always been such a wide divergence in the total number of precincts; four new ones were established by the County Board of Supervisors just last spring. But for a long time there has been a difference in the city and county voting areas within Granite City, resulting in confusion and inconvenience for the public.

It is apparent that there must remain some differences in voting procedure and locations for governmental districts in this area. For example, school district boundaries are much larger than the city limits. Township school trustees are elected according to boundary lines of the old Nameoki and Venice townships, before they were changed by creation of Granite City township. Until recent years, the park district had different boundaries than the city.

But the city and township are co-extensive, and elections on city offices and those of the township and county are closely related in the minds of voters. When they think of themselves as voting citizens, they automatically think of the precinct where they live and the polling place where they vote.

A persuasive argument could be made for whatever consolidations and revisions are necessary to make precinct lines and polls identical within the city-township of Granite City, including provision for maintaining their identical status as the community expands outward. One point is that special city elections could then be held simultaneously with other elections without people having to visit two voting centers.

Now that the fall elections are over, local and county officials may find it a good time to set up identical city and township precincts, bringing a halt to much of the election day confusion.

## Goal For War Veterans—That Their Ranks Not Be Increased

"When warriors their duty armor doffed..." Once again, tomorrow, Nov. 11, Quad-Cityans and Americans will pause to honor the veterans of wars that gained and maintained freedom for this nation. Tribute will be paid to the brave men who took up arms in any wars involving the United States.

When the last warfare ended in 1953, there were 19,600,000 veterans and, together with their families, they made up a third of this country's population. Eighty per cent or 15,400,000 had served in world war II and 1,400,000 in the Korean war. The remainder of the veterans' ranks from world war I and the Spanish-American war, plus the last of the Civil War veterans, who have since passed on.

In these past seven years, the number of war veterans has continued to decrease but the passage of time also has brought new responsibilities and honors on the latest generation of servicemen. A leading example of this was Tuesday's election of a world war II veteran to the highest office in the land.

Local residents' thoughts will hark back tomorrow especially to the men who fought in world war I, for it was the armistice in 1918 that inaugurated the traditional observance, both a solemn and patriotic occasion, on Nov. 11.

We can think of no finer Veterans' Day dedication to and by the armed forces veterans than this goal—that the cause of freedom be safeguarded and broadened without a third world conflict, so that new generations of war veterans need not be created.

## Retired Area Farmer, Rudolph F. Buske, Dies

Rudolph Friedrich Buske, 87, retired farmer of the Mitchell and Litchfield area, died early Tuesday at St. Francis Hospital, Litchfield, where he had been a patient for six weeks.

Mr. Buske, who had resided at Litchfield since 1941, had been in failing health for the past two years.

After leaving the farm, he was associated with his sons in the operation of the Buske Truck Lines of Litchfield.

Mr. Buske was a native of Staunton, Ill., and an active member of Zion American Lutheran church of Mt. Olive.

His wife, Mary, died in 1958. Also pre-deceasing their father were three sons and one daughter.

Survivors are three sons, Edwin and LeRoy Buske, Litchfield, and Ralph of Mitchell; four daughters, Mrs. Matilda

## Educational Facilities, Concepts Change With The Passing Years

Two current news stories have developed, fittingly, at the same time American Education Week is being observed. The Liberty school, built originally as a temporary school in world war I, has outlived its usefulness and been sold. Two new schools, constructed to replace the old Blair and Harris buildings in Madison, will be dedicated Sunday afternoon.

The events underline the need to constantly evaluate existing services and future needs, for the educational challenge is as ever-changing as the community itself. Buildings and concepts good enough for today are not necessarily adequate for some future date. Quad-Cityans, fortunately, have been alert to new times and new demands, and have responded to the educational needs as they unfolded.

Freedom is the right to do about what you please, provided you do not injure others or take more than your share.

## Girl Scouts' Efforts Aid In Completing Camp Lodge Payments

Not only are Girl Scout cookies tasty, but their sale locally has made it possible to pay off the remaining debt for the lodge at Camp Lakota, summer and weekend camp of the Tri-City Girl Scout Council.

The all-weather lodge, added only a short time ago to the campsite near Glen Carbon, has increased the use that can be made of the camp. With receipts of the latest semi-annual cookie sale, the Girl Scouts' only fund project, the lodge will be paid off and there will be some proceeds left over for further improving it.

There is something typically American about the girls who enjoy the fun and adventure of camping also learning the lodge's value by helping to pay for it through their own efforts. The experience and the building are worthwhile additions to the scouting program.

Lawless persons are always dangerous, but the nation also suffers from those who manage to operate within the law.

## Weather Warming But Climate Here Will Remain Invigorating

Is the weather getting warmer—our summers more severe and our winters more mild? Old-timers are inclined to agree, recalling seasons of cold when Quad-Cityans walked across the frozen Mississippi River to Missouri, but there have been few comprehensive studies to substantiate this belief.

Now the Journal of Geophysical Research has compared the 23-year periods 1906-1930 and 1931-55 at points throughout the country and found a rise of eight-tenths of a degree in average temperature—not much, but a definite warming trend. Higher latitudes have seen the most change. Just where the cycle will end is unknown, but the actual temperature increase appears to be so gradual that it will not have a major effect during our lifetime.

Many feel that a climate such as local residents have—ample cold and ample heat in the extreme seasons with more moderate weather in spring and fall—is ideal for both enjoyment and vigorous health and spirit. Fortunately, no major change is in the offing.

Good living includes a balanced life—devoted to work, culture, religion, recreation and service.

## Groups Endorse Clearing House For Christmas Aid

Establishment of a clearing house on applications for Christmas assistance was endorsed by representatives of 11 Quad-City organizations at a luncheon meeting held Monday at the Grand Cafe.

Plans were made to contact all other groups that furnish Christmas aid or that may do so in the future. The letters will explain the clearing house proposal and invite the organizations to participate.

Major purpose of the plan is to ensure the most "mileage" from expenditures to extend Christmas cheer to needy families through distribution of food baskets. If duplication can be avoided, more families can be aided and there will be less likelihood of a deserving family missing out entirely, the discussion brought out.

Exchange of information. It was noted that there is already much exchanging of information between major welfare agencies in the Quad-Cities. However, it was felt that there are so many groups participating in Christmas aid that some duplications and omissions have occurred.

Groups represented at Monday's gathering were the Salvation Army, Catholic Charities, Protestant Welfare, Tri-Cities Ministerial Association, Granite City police department, American Red Cross, YMCA, Noonday and Twilight Optimist clubs, United Fund and AFL-CIO Community Services.

John D. Solenberg, United Fund executive director, called the meeting and served as moderator.

The Salvation Army Office "The Salvation Army volunteered to operate the clearing house from its office, and it was decided to establish a committee to represent the participating groups.

Name chosen was the Tri-Cities Christmas Clearing House Committee. The United Fund will aid in coordinating the program.

Letters will be sent to as wide a group of organizations as possible, without regard to whether they currently have Christmas assistance projects in the hope that none will be missed.

An earlier deadline date for applications than in the past was discussed with the possibility mentioned that a system also could be devised for handling unavailability of requests. Details remain to be worked out.

## SIU Students Giving Play By GC Teacher

A play written by a recent graduate of Southern Illinois University, Dr. Edward Kessel, of the Coolidge Junior High school faculty in Granite City, was presented this afternoon by SIU students at Carbondale and will be repeated on Monday Tuesday, Wednesday and Thursday of next week.

Entitled "The Golden Mask," the children's mystery play is being performed at the Southern Illinois Playhouse on the university campus.

First in a series of three children's plays sponsored by the Carbondale chapter of the American Association of University Women, the story concerns a young boy, Ethan, and the adventures he encounters while searching for a thief who has stolen a sorcerer's golden mask. Over 1000 school children are expected to see the production, which is under the direction of Dr. Christian Moe, assistant professor in the theatre department. Kessel is speech instructor at the local school.

## McKinley 'Electric' Bridge Opened 50 Years Ago Today

Exactly a half-century ago today the McKinley "Electric" bridge, then the largest and heaviest span crossing the Father of Waters" was opened to rail and vehicular traffic in stirring ceremonial, salute, dedication and pyrotechnic display.

And, according to The Granite City Press and Herald of that date—Nov. 10, 1910—the memorable events were witnessed by 100,000 persons.

Holidays were decreed for Granite City, Madison and Vandalia and the communities were garlanded with ribbons, bunting, streamers and state and national emblems.

A gigantic parade made its way through the Tri-Cities; the bands of the city and state, bands played martial and state airs, a 21-gun salute was sounded, 700 dignitaries lined the planters hotel, and fink was written in a \$10,000 display of fireworks anchored on barges anchored in mid-stream.

The span, costing \$4,500,000, was dedicated in November, 1907. It was built by the "electric railroad company," the Illinois Traction System, and was officially dedicated as the McKinley Electric bridge.

Contrary to widespread misconception of today, the Illinois-Missouri link was not named for President William McKinley.

Span Named For Congressman

It was named for the Illinois congressman, W. B. McKinley of Granite City, who was president of the Illinois Traction System.

Congressman McKinley, a Democrat from the 13th district, was a prominent attorney. He was a native of Iowa and taught schools in Iowa prior to being admitted to the bar. He was active in utility developments.

The scene and setting of Nov. 10, 1910, were richly alive and veridically studded with names of the great, political luminaries, high churchmen, a duo of governors, congressmen, jurists, mayors, municipal officials and like "big wigs" from Illinois and Missouri.

Among the principals counted that day were Gov. C. H. Deneen of Illinois, Gov. H. S. Hadley of Missouri, Oscar L. White, assistant Treasurer of the United States; Archbishop John A. Glavin, St. Louis; Dean Carroll M. Davis of Christ Church Cathedral, St. Louis; Ralph Modjeski, bridge architect; R. D. Smith, his representative in charge of construction, and a veritable covey of municipal officials, aldermen, council members, political leaders, construction engineers, financiers and electric utility executives.

Present likewise and much a focal point of attention and interest was Congressman McKinley, who The Press and Herald reported, "was a modest, unassuming figure."

Flag Raising Ceremony

His niece, Miss Julia Matthe, Chaplain, performed the first rites of dedication in "taking the silken cord and then raising the Stars and Stripes on a towering pole in the exact center of the bridge." No champagne bottles came into play, according to the news story.

But prior to this, the governors of Illinois and Missouri performed a ritual of "linking the shores and the states," reminiscent of the driving of the golden spike on completion of the railway rights-of-ways connecting the west coast with the eastern seaboard.

Approaching from the east and west ends of McKinley were a host of dignitaries and distinguished guests, seated on flag-bowered flat cars. Each rail caravan made its way slowly to the middle of the span, for the accompaniment of the mace and beat of a corps of bandmen.

Then, right arms outstretched, the governors clasped hands to symbolize the uniting of the business, commercial, industrial, civil and community interests of the two states and the cities dotting the banks of the Mississippi.

There was a blessing, performed by Archbishop Glavin, a prayer by Dean Davis.

21-Gun Salute

Then sounded the reports of a 21-gun salute, the band struck up in full voice, there were showers of cheers and the bridge officially dedicated.

State shields and flags were in profusion not only on the span but throughout the Tri-Cities; then came the festivities carrying far into the night.

"The streets to the bridge, on both sides of the river were almost impassable," The Press chronicled.

The parading spilled over not only on the Tri-Cities side but throughout St. Louis as well. At a formal elaborate menued banquet that night at the planters hotel, 700 high dignitaries dined.

Business places in Granite City, Madison and Vandalia closed at 11 that morning, remained closed for the balance of the festive day. Thousands witnessed the fireworks display at night.

Numbers of formal and semi-formal balls were held by communities and merchants continued through the night.

According to a description of the McKinley Electric Bridge in this newspaper of 50 years ago today:

"The main bridge carries two railroad tracks—through a center span of 26½ feet; two roadways, 14 feet wide, for a total width of 65 feet.

"Its clearance above high water is 50 feet; above low water, 85 feet. The piers are of red granite and Bedford limestone. It was designed by Ralph Modjeski."

Now Owned By Venies'

Now owned and operated by the city of Venies, the McKinley bridge, is undergoing extensive repairs, renovation and remodeling to meet today's vehicular traffic needs.

No longer do electric interurban trains use its spans; the Illinois Terminal Railroad leases tracks for its trains. Soon, present west end toll gates will be removed to the east entryway.

A tentative Nov. 16 completion target date for work has been announced, but bridge engineers say this cannot be met. Cost of overhauling and renovation is somewhere in the neighborhood of \$1,000,000 according to estimates.

Work on reconstruction got under way last February and was to have been completed "within 200 working days." The municipality acquired title to the span in November 1958, and floated a \$20 million bond issue to meet the cost.

At this point, completion of the revamping and rebuilding isn't expected to be finished prior to next spring.

Old timers recalled yesterday that while the formal, on-record opening date was Nov. 10, 1910, McKinley had been in use since mid-October, 1910.

Interurban line cars had been crossing the span a month prior to opening, and tolls were being collected on passenger vehicles, horse-drawn and the "horseless carriage" type beginning on or about Oct. 10.

Mate, or Paraguay tea, is made from the dried leaves and shoots of a holly tree. It has a large amount of caffeine and produces a stimulating effect.

## Slight Change In GC Relief

The number of relief cases in Granite City township remained unchanged during October, although there was an increase in people on relief and costs, according to the monthly report made available this week at the office of Supervisor Leonard Oram.

The October figures were 47 cases with 156 persons and costs of \$4360, as compared to 47 cases, 145 individuals and costs of \$3748 during September.

In October 1959 the totals were 45 cases with 160 persons and costs of \$4147.

### Army Pfc. Dohnal Takes Part In Korean Maneuver

Army Pfc. Edward J. Dohnal, whose wife, Kathy, lives at 1714a Edwardsville road, Madison, participated with other personnel from the 1st Division's 4th Cavalry in Exercise Yellow Jacket II in Korea. The exercise ended early this month.

The field training exercise emphasizing night withdrawal and attack, was part of the continuous training program conducted by the division.

Dohnal, a first team leader in the cavalry's Company A, entered the Army in May 1959 and received basic combat training at Fort Leonard Wood, Mo. He arrived overseas last April.

Before entering the Army, the 21-year-old soldier was employed by the Brown Shoe Co. of St. Louis. He is a 1955 graduate of East St. Louis high school.

## 2 Couples Married Here Divorced In Edwardsville

Divorces have been granted in the circuit court at Edwardsville to two couples who were married in Granite City.

Charging desertion, Harold R. Dietzler obtained a divorce from Hazel L. Dietzler. They were married here in 1953. On the grounds of cruelty, Mary Isaque was granted a divorce from Frank Basques. They were married here in 1948.

## Children's Book Week To Be Observed At GC Library

In special exhibits of wood-carvings and posters and in gifts of bookmarkers and "treats" for the youngsters, the Granite City public library is to mark "National Children's Book Week."

The week-long 42nd annual observance is ushered in next Sunday and has for its 60 slogan, "Hurry For Books!"

Mrs. Mary Gene Knufinke, librarian, explained today "the purpose of Children's Book Week is to focus attention on the importance of good books for the young."

**Invitation Extended**

The Granite City public library is participating in the observance and extending an invitation to all boys and girls in this area to visit the library and be introduced to the fun of reading good books."

She noted that books can play a vital part in the life of a growing child, and Book Week emphasizes the value of bringing the young and good books together.

Highlights of the week, according to Mrs. Knufinke, will include a juvenile department display of many new volumes for children of all ages.

**Tours Of Library**

Additionally, bookmarkers and "treats" will be given each youngster visiting the library. There will be conducted tours of the library.

Importantly, there will be a woodcarving exhibit by Albert Jones, 2910 Oak street.

Winning posters drawn for "Book Week" by pupils at Prohard grade school will be exhibited.

The librarian said that this "display caused so much attention last year the children were again asked to participate."

Shown will be the Dr. Seuss funny zoo animals and miniatures, "Folks in Little America."

**Features For Adults**

And there are special interest attractions for adults at the library.

"In the adult department, Librarian Knufinke told, 'you will find many new recordings have been added to our collection.'"

"The complete language course for adults in Russian, German and French will interest and help those students studying foreign languages."

"You will also see a table display of new books for your enjoyment."

## Blood Program Report To Red Cross Board

A report on proposed formation of an organizational blood contribution program in the Quad-Cities was given at a monthly meeting of the Tri-City Red Cross chapter board of directors Tuesday afternoon by George Eubanks, chapter chairman.

He discussed a meeting of organization representatives held Nov. 2, and said appointment of a committee composed of members of some of the interested groups is planned.

Mrs. Ruby Overbeck, executive secretary, submitted an October home service report showing 108 contacts and 12 instances of financial assistance totaling \$699. The 108 persons included 24 Army Engineer Depot personnel.

A breakdown for the month listed 14 information contacts, 11 emergency leaves, two leave extensions, three health-welfare cases, 38 reports, three cases of assistance with government benefits, 29 persons counseled and eight other contacts.

Edna Roberts reported on the Granite City Junior Red Cross program and Judy Kelly, also a Granite City high school student, told of a Junior Red Cross camp held last summer.

## A NEW KIND OF NYLON GIVES FLOORS NEVER-BEFORE COLOR BEAUTY AND PRACTICALITY

Cartier Broadloom From the Looms of Mohawk

There's something new under the sun. It's Cartier, a 100% nylon broadloom from the looms of Mohawk, world's largest maker of carpets and rugs. It is made of designed-for-carpet continuous filament CUMULOFIT NYLON... a special kind of nylon carpet that really weaves, is easy to care for, is spot and stain resistant. You'll never have to worry about fuzzing, pilling or shedding, either. CUMULOFIT NYLON makes possible an up to the minute palette of fresh, glowing, glorious colors.

And don't forget, Cartier looks loveliest, lasts longest on genuine Mohawk Carpet Cushion.
